CABERNET SAUVIGNON

SANTA BARBARA COUNTY

Our Cabernet Sauvignon is blended from grapes grown in the Santa Ynez Valley within Santa Barbara County.

The vineyards benefit from warm days and cool nights which produce a long, gentle growing season. Crafted from Clone 337 and Clone 6 Cabernet Sauvignon with a touch of Petite Verdot. The result is a distinctive and refined wine with layers of blackberry and fig jam notes with silky tannins and a long finish. This is truly a handcrafted artisan wine made with pride and respect from vineyard to bottle. Enjoy!
