THE TINY PRINT.

In an effort to build a better product for you in terms of livability, design, structure, and sustainability, SEAN. reserves the right to alter building components, dimensions, areas, footage, location of doors, windows, and specifications etc., in our sole discretion and to operate within TARION and OBC parameters. Room sizes on brochures are calculated at design stage and may vary to permit drawings, total square foot size of home based on Tarion Builder Bulletin 22 guidelines. Exposed beams, posts and ceilings may be altered at construction stage in builder's discretion. Building permits from City of Barrie are not finalized and may require certain site plan and housing changes, which purchaser agrees to accept. Specifications, terms and conditions are subject to change without notice. Mandatory charges may be required to accommodate OBC changes or bylaw changes or permit requirements identified after sale to Purchaser, in Vendor's discretion acting reasonably.

In certain areas of condos, mechanical systems may be left exposed.

Purchaser acknowledges and agrees that variations in colour and shade uniformity may occur and the colours, patterns, and availability of samples displayed in the New Home Centre and website may vary from those displayed and those available at time of selection. Mixing of package choices is not allowed. Customizations to pre-selected upgrades for standard package items are available at additional cost. Flooring and stairs and finishes may react to normal fluctuation in humidity levels. We offer pre-selected customizations, and purchaser shall have the right to choose the style or colour of an item where a choice exists from the designer packages. SEAN. reserves the right to substitute different brands of similar quality to those specified on the website dependent upon availability, pricing and selection. Basement stairs may be constructed as steel stringer wood tread or wood stringer with LVT cladding, as per plan. HVAC mechanical locations are subject to change without notice. Ceilings and walls may be modified to accommodate mechanical systems. Certain closets may have lowered headroom or raised floors. Certain units may have combo heat pump dryer and washer laundry under cabinet in kitchen with pantry above. Second door into washroom is optional. Certain walls are half walls or do not reach ceiling as per design. Closet doors may be swing or bifold design

Purchaser acknowledges that the Vendor's sales office and marketing materials have been created for public display purposes and contains certain feature upgrade finishes, optional items and custom changes that are not included in the basic model. Artistic renderings of house elevations are artist's impression and detailing may vary from that shown and based on each block's unit composition.

Number of steps at front and rear may vary from that shown according to grading conditions and municipal requirements, and landings and garage man-doors may be altered or removed based on grade if required. Grading may dictate steps, dropped landings, stairs in garage, retaining walls, deck height and stairs, railings at SEAN.'s discretion.

The Purchaser shall indemnify and save the Vendor, its servants and agents harmless from all action, claims, and demands for upon or by reason of any damages, loss or injury to person or property of the Purchaser or any of his friends, relatives, workmen or agents who have entered on the real property or any part of the subdivision of which the real property forms a part whether with or without the authorization expressed or implied by the Vendor.

Homes fronting municipal road may require air conditioning for sound abatement and purchaser agrees to accept an addition to the purchase price at builder's cost or the HVAC rental agreement. From time to time, certain contents of the purchase & sale agreements (including schedules) may change without express notice and any changes will be published at SEAN.CA and are binding upon purchaser. Tarion warranties and registrations, and municipal hookup fees are at purchaser's cost. All items specified "as per plan".

* All items listed as "low" or "Zero VOC" cannot be guaranteed though the use of these items are specified for use by trades. SEAN. builds in a method that we believe is a more environmentally friendly manner to promote a healthier and energy efficient lifestyle, however this is not a substitute for an individual's lifestyle choices, nor do we claim any future health benefits from our products nor construction methods. Implied and stated efficiencies are based on typical usage and occupant assumptions and may vary in actuality with different usage and occupant loads. * All items listed as "low" or "Zero VOC" cannot be guaranteed though the use of these items are specified for use by trades.

Purchaser agrees to not enter any house during construction unless invited and accompanied by a Sean Representative.
