Cotswold *Half*Way Race Brief and Rules

1. OVERVIEW

It's the Cotswold Way. Start in Chipping Campden at the Village Hall, stop at Painswick Rugby Club, follow the signs marked "Cotswold Way". Although we may add occasional markings near check points or where the route has more than 1 option, please plan on the only route markings being the existing Cotswold Way markers (follow the acorn). GPX – AVAILABLE TO DOWNLOAD FROM THE ENTRY LINK ON SIENTRIES

You'll have 15 hours, (11am start) to complete the event, with 1 intermediate cut-off along the way.

The Cotswold *Half*Way is a single-stage, approximately 47mi, trail running event that takes place along public rights of way. There are no road closures for this event, so all participants and supporters must respect road regulations on those sections which are not on trails. Due to changing conditions, it is possible that official diversions will be in place that alter the overall distance of the Cotswold Way and any distances listed in our pre-race information.

2. EVENT SPECIFIC TERMS & CONDITIONS

Entry to the Cotswold Way Century is subject to participants meeting the qualifying criteria of the successful completion of a Marathon or longer since January 1st, 2024. **Evidence of which must be provided to us no later than 9th August 2026. We will not accept Strava runs; it has to be an official event results hyperlink with your race number for us to check.** In the event of evidence not being provided by this date, entries will be deemed as cancelled. Entries after 9th August 2026 will require the qualifying evidence upon entry confirmation.

If you will be completing a qualifying event between now and 9th August you can 'Edit' your entry later in SiEntries to add results.

Minimum age: 21 on race day.

3. PARTICIPANT CANCELLATION, DEFERRALS AND TRANSFERS

You have the option to purchase XCover.coms 'Booking Refund Protection' alongside your ticket purchase, as we will not be operating a refund option due to costs. See the link below for further details.

<https://www.xcover.com/en/pds/booking-refund-protection-uk>

We do not do deferrals.

Transfers / substitutions can be done by you via your SiEntries entry.

4. RACE INFORMATION

START TIME: 11am start for ALL runners

COURSE RECORDS:

Cotswold *Half*Way Race Brief and Rules

CUT OFF TIMES – APPLY TO ALL RUNNERS

The table below shows cut-off times for the race. If you reach a check-point after the cut-off or you have not left the checkpoint by the cut-off time then you will be required to stay at the CP until you can be transported back to the finish. You may arrange your own transport if you wish, but must notify check point staff so they are aware that you are leaving and **hand in your tracker to a member of race staff**. Runners should plan to finish well inside the 15-hour time limit.

Location	Approx Distance from Start	Cut-off Time
Aggs Hill Check Point	27 miles	18:30 Saturday
Painswick RFC	48 miles	02:00 Sunday

DROP BAGS

We're happy to take your drop bag, if you have one, to Aggs Hill. Please make it fairly compact (standard carrier-bag size, please, not your holiday luggage). Drop bags will be returned to the race finish, Painswick. If you forget it, we will take it home and contact you as long as you have put your tag on it!

FOOD

We generally put out a selection of sweet & savoury. Typical fare in the past has included flapjacks, peanut butter, marmite, chocolate spread, cheese, pickles, tinned fruit, rice pudding, crisps, nuts, pretzels, gummy sweets, jelly babies, ginger nuts, lightly salted roast potatoes(cold). A selection of these kinds of food is the minimum you should expect to find where the table shows "Yes" for food. We'll bias additional items more towards "food" at the early CPs, with things like cocktail sausages, cheese, and sandwiches, then gently migrate towards a bias of "sugary" and salty stuff towards the end. Vegan/Vegetarian alternatives will be available.

We will have a vegan chilli with/out rice (not spicy hot) or similar dish available at Painswick RFC. Vegan/Vegetarian alternatives will be available.

CUPLESS RACE – HOT & COLD DRINKS

Please note that this **IS** a cupless race, with the exception of Painswick. We will **NOT** provide any drinking vessels at checkpoints. You must therefore bring your own suitable vessel(s) for hot and cold drinks. Eg mug, collapsible cup, hard bottle.

We'll be breaking out the camp stoves & thermal flasks to make hot/warm drinks available at some of the check points. Tea, coffee, or soup will form the backbone of your re-warming delights.

Water, squash and cola will be available at each checkpoint too. Be reminded, though, that it may take a couple of hours to get from one stop to the next, so participants must carry a drink throughout (see Race Rules). Runners will be able to leave a drop bag for Aggs Hill, to avoid the need to carry an entire day's food from the start.

Cotswold *Half*Way Race Brief and Rules

CHECK POINTS

Check points will be placed at convenient intervals where the route is on or near a road.

Location	Approx. Mileage	OS Reference	Nearby Postcode	What 3 Words	Drop Bag	Food	Hot Drinks
Chipping Campden School	0-HQ	SP 154 396	GL55 6HU	rainwater.cookies.table	N/A	No	No
Stumps Cross	13	SP 075 303	GL54 5SB	undertook.elephant.slowness	No	Yes	No
Aggs Hill	27	SO 991 224	GL54 4ER	theme.silver.tulip	Yes	Yes	No
** Birdlip** Dependant on rd closures	38.5	SO 931 153	GL4 8JX	fluid.heightens.slicing	No	Yes	Yes
FINISH Painswick RFC (Indoors)	47.5	SO 860 093	GL5 6RS	barn.interval.grad	Yes	Yes	Yes

Pacers are not allowed on any part of the course. If a runner is seen anywhere on the course to have a pacer, then they will be disqualified. Remember, we will have eyes all over the course and not just at checkpoints.

6. RACE RULES – IF YOU ENTER YOU WILL HAVE TICKED A BOX TO SAY YOU AGREE, SO READ THEM BEFORE ENTERING

OVERALL RULES

The race is run in accordance with UKA Rules. Unless something below takes precedent, UKA Rules apply.

- **Stay away if you are ill:** Participants must not attend the event if they are suffering from a fever or any flu-like symptoms such as persistent cough, fever, or loss of taste or smell.
- **Have a get-home plan in case you abandon / time out on Saturday:** All participants must have someone available to collect them if they abandon during Saturday. We will still do our best to get people to a safe place to wait for collection, such as Painswick RFC or Wotton. However, we can not guarantee how long this would take.

TRACKERS AND PHONES

Each participant will be issued with a tracker at registration. The tracker must be turned on and with the participant at all times in the event. Passing the tracker to another person is not allowed. It will have an SOS function.

You must carry a mobile phone, our numbers will be made available to you to put in your phone, should you need assistance.

What3Words: Event officials and medics recommend every participant that carries a smartphone adds the What3Words app to their phone to aid rapid collection in case of emergency. This app is widely used and highly rated by emergency services for providing a precise location into the navigation app of the person who is coming to rescue you. What3Words location details are added to the checkpoint information to help participants and crews find them.

Cotswold *Half*Way Race Brief and Rules

MEDICAL SUPPORT

Medical support will be available for the whole event, by Challenge First Aid, who specialise in these kinds of events. Their role will be to provide advice and deal with any major/significant issues.

You will be expected to utilise your own first aid kit, as it will be your responsibility for minor issues such as general footcare, dealing with blisters etc. In the event of a major medical emergency, if you can, you should set your SOS off on your tracker and if you are able, ring 999. The medical team will try to contact you and we will also send people out to find you in your location.

SHORT CUTS

Runners must follow the course. Any runner deemed to have gained advantage by taking a different route is subject to disqualification or a time penalty, at the discretion of the Race Directors. Runners who find themselves inadvertently off-course should make their way back to the last-known correct position and re-join the course from there.

PACERS

Supporters are not allowed to run along with the race. Every year, someone always says, "It's a public path, you can't stop me running on it". That is correct, we cannot stop people running on the path, but we can and will disqualify the runner if they are seen with a pacer. We will have eyes on the course and not just at checkpoints.

CUT OFF TIMES

Cut-offs are in place for both safety and organisational purposes. The cut off to Aggs Hill at 27miles is 18:30 19.09.26. The cut off at Painswick Rugby Club – Finish Line is 02:00 20.09.26

Runners who choose to ignore or dispute the cut off decisions run the risk of continuing without aid station and medical cover and will be invited to refrain from entering future Cotswold Trail Events Ltd events.

ABANDONING THE RACE

Should a runner need to abandon the race, please notify the Race Directors or check point staff. If you abandon at a check point, you will be transported eventually back to the finish, but this may take some time. You may arrange your own transport if you wish, but must notify check point staff so they are aware that you are leaving and **hand in your tracker to a member of race staff**. Obviously, if there is an emergency and you are collected by the emergency services, please make your best effort given the situation to let Race Directors know what has happened.

PHOTOS / VIDEOS

In some cases, photos/videos may be taken of participants, they will, eventually, be made available on the website....but give us time! You are welcome to take your own photos of your participation in the event. If you want to share the photos/videos please send them to info@cotswoldtrailevents.co.uk and we can add them to our socials with your reference or share on Cotswold Way Ultra Trail Community Facebook page.

By taking part in the race, you agree that we may take photos of you participating in the event, that these photos are the property of Cotswold Trail Events Ltd, and may be used for promotional purposes.

7. RULES OF THE ULTRA

- **Roads:** The roads are open to traffic. The roads, mostly, are typically quiet, but we cannot guarantee that you won't meet cars. You will cross the A46 several times – please take care, as it is a busy road. Marshals and runners cannot stop, slow, or interfere with the traffic. Where pavements are available through towns, please use the pavement rather than the road.

We are not the only users of the trails and roads along the route. Everyone you meet during your run has a right to be there. Please treat them with respect. A smile from you will frequently result in a friendly word of encouragement in response.

Cotswold *Half*Way Race Brief and Rules

- **Gates:** You will be running through a variety of fields, some of which will have livestock and some, where livestock must not go. Please close all gates as you pass through them. Remember, you are out to have fun, but the landowners and tenants on the farms rely on them for their livelihood. Respect their needs, and we will remain welcome to enjoy the trails.
 - **Headphones:** Although we discourage them, runners may wear headphones, but should ensure they are able to hear other trail users nearby. **Both headphones must be removed on all road sections.**
 - **Dogs:** Dogs are not allowed to accompany runners in this race. We love dogs, but this event is not for our four-legged friends. Please leave them with your supporters.
- **Mandatory Kit: IF YOU TURN UP WITHOUT THE MANDATORY KIT YOU WILL FORFEIT YOUR RACE.** It's there for when things go wrong, not for when you have the perfect race. Spraining an ankle on a rainy day can be miserable, but doing it without appropriate clothes to hand could be extremely dangerous. We'll be doing spot checks and disqualifying anyone who doesn't have the kit.
- a. Water: at least 1.5 litres. During the 1st afternoon, we **suggest 2-2.5 litres (so many people run out if they skimp!)**.
- b. Waterproof jacket - full sleeved. We recommend full waterproofs if there's any rain forecast, but do not require waterproof leg coverings.
- d. A cup for use at aid stations suitable for both hot & cold drinks
- e. Emergency nutrition (gel, energy bar, sweets, etc.)
- f. Head covering (hat, multi-use covering, hood)
- g. Mobile phone, charged (we'll provide race official numbers on race day)
- h. Bivvy bag or survival bag – foil blankets are just not enough to keep you warm if it's wet.
- i. Whistle
- j. Your tracking device (you will get one at race registration).
- k. A spare long-sleeved top (tech, cotton, wool – it's up to you). This is not for your drop bag, it's to be carried on your person at all times during the race.
- l. torch **with** spare batteries (hand-held or head torch): **YOU MAY NOT PUT THIS IN YOUR DROP BAG or Give it to friends / supporters – HAVE IT WITH YOU AT THE START.** _Too many of you put it in the wrong bag and end up running in the dark...
- m. First aid kit, including
- i. tape (micropore, zinc oxide, flexible, or similar)
 - ii. plasters
 - iii. blister plasters
 - iv. field dressing
- **Route Markings: We will not be adding to the existing Cotswold Way route markings** except in very few locations. Therefore, expect to follow markings bearing the "acorn" symbol and/or the words "Cotswold Way". If we add any markings, they will be marked "Cotswold Trail Events" or "CTE".
- **Horses:** Some of you may encounter riders on the course. Please treat the horses with caution and give them as much space as you can. A nervous horse can cope with one or two runners, but you may find a horse that's had enough of runners and gets quite skittish. If the space is cramped or if a rider is having difficulty controlling the horse, please stop for a few seconds and let the rider get back in control, and then continue at a walk until you have passed the horse. Remember, if you fall down, it hurts, but if a rider falls off a horse, then they are at risk of serious injury and a scared horse becomes uncontrolled. It's just not worth the risk for a few seconds.

Cotswold *Half*Way Race Brief and Rules

- **Permit:** The race is held under UK Athletics Rules, permit granted by the TRA (applied for).
- **Littering:** If you pack it, you bin it. Our races are designed to take you through beautiful, scenic locations, so please respect the area by taking your rubbish to the next check point. Runners seen to wilfully litter are subject to disqualification or time penalties, at the discretion of the Race Directors.
- **Running poles:** These are allowed in this event. They are to be stored inside/on your running pack or left outside indoor checkpoints to prevent injury to yourself, other runners and checkpoint staff.

SUPPORTERS / SPECTATORS

- We welcome supporters and spectators on most sections of the course. Please follow appropriate guidelines when using the trails and roads of the area. We especially request that dogs are kept on leads and that supporters following their runners along the course do not block roads, drives, or gates when parking at the side of the road.
- Please be aware during the night hours that your noise stands out more when the villages go quiet. Cowbells, shouting, cheering, horns honking, and other seemingly welcome encouragement for your runners can cause real problems for the locals and therefore our ability to keep the race going year on year. Therefore, please keep the dark hours quiet wherever possible.
- Supporters are allowed to provide food, drink, and support to runners along the route, while parked safely, but are not allowed to carry any of a runner's mandatory kit aside from: the runner's headtorch, which can be deposited in the final drop bag, may be carried by supporters **after** the final drop bag location. The headtorch may not be carried by supporters at any point before the final drop bag location or before the onset of daylight, whichever is later in the race.
- **Supporters are not welcome to park at the 1st aid station at Stumps Cross**, due to the nature of the road and the space available for parking. Please instead take the time to have a break and catch up with your runner somewhere you can safely park. They may also appreciate stopping off at Broadway Tower, Winchcombe, Cleeve Hill, Leckhampton Hill.
- Please, park with respect to residents and tourists in Chipping Campden. The town can be bustling on a Saturday, but there should be ample space for everyone to park at the school. **Please note School parking is now pay and display.**
- Please do not take cars/bicycles onto paths/tracks where they do not belong. Bicycles are allowed on bridleways, but not on other trails.
- **Parking at Painswick Rugby Club is not allowed before 7pm for crew.** The rugby club has a home match and we cannot be seen to be taking over their small car park. Please make your Crew or whoever is collecting you after your race aware.
- Supporters must not impede any other race participants.

As well as the check point locations, supporters may also appreciate stopping off at Broadway Tower, Winchcombe, Cleeve Hill, Leckhampton Hill, Painswick, Dursley, North Nibley, Wotton-under-Edge, and the handy layby near Bath Race Course on Freezinghill Lane.
