Effort - Emotion - Euphoria

Race Brief and Rules - Cotswold Way Century

OVERVIEW

It's the Cotswold Way. Start in Chipping Campden at the Village Hall, stop in Bath at Bath Abbey, follow the signs marked "Cotswold Way". Although we may add occasional markings near check points or where the route has more than 1 option, please plan on the only route markings being the existing Cotswold Way markers (follow the acorn). THIS MEANS YOU NEED TO BE ABLE TO READ A MAP!

You'll have 32 hours, (11am start) to complete the event, with intermediate cut-offs along the way.

The Cotswold Way Century is a single-stage, approximately 102mi, trail running event that takes place along public rights of way. There are no road closures for these events so all participants and supporters must respect road regulations on those sections which are not on trails. Due to changing conditions, it is possible that official diversions will be in place that alter the overall distance of the Cotswold Way and any distances listed in our pre-race information.

The route really is very hilly, because the people who created it wanted you to see every beautiful viewpoint on the top and every chocolate-box village at the bottom, and the only way to do that is to keep going up and down. There are a few road sections, a lot of hard stone tracks, plenty of green and grassy paths, and a fair number of ploughed fields along your route.

EVENT SPECIFIC TERMS & CONDITIONS FOR THE COTSWOLD WAY CENTURY 2022

Evidence of which, hyperlink to official results, must be provided to us no later than 3rd August 2024. We will not accept screen shots of strava runs; it has to be an official event and the hyperlink sent to us with your race number for us to check. Entry to the Cotswold Way Century is subject to participants meeting the qualifying criteria of the successful completion of an ultra of 40 miles or longer since January 1st, 2022.

In the event of evidence not being provided by this date entries will be deemed as cancelled and be subject to the cancellation policy stated below. Entries after 3rd August 2024 will require the qualifying evidence upon entry confirmation.

Minimum age: 21 on race day.

Participant Cancellation

If you cancel your entry before midnight on the 3rd August 2024 you will be eligible for a refund of 50% of the fee received by us for the entry.

If you cancel your entry after the 3rd August 2024, no refund will be given as we have already committed to outgoing payments for the race to go ahead.

Deferrals / Transfers

We do not do transfers or deferrals as these create additional admin and costs close to the race when we are at our busiest preparing for the event.

Cotswold Trail Events

Effort – Emotion – Euphoria

NOTE TO RUNNERS ABOUT DRIVING RESPONSIBILITY POST-RACE

Please, if you can, stay the night in Bath, use public transport, or have someone else drive you home after the race. Remember that from Saturday morning until you finish, you won't have had any sleep, and if that's late on Sunday, you will be in no state to drive a car around other people, so please do not plan to do so.

START TIMES

11am start for ALL runners

ENTRY

Price

£137 UKA / TRA Affiliated

The above price is subject to a £2.00 supplement for participants who are not affiliated to UK Athletics or members of the TRA.

ENTRY LINK

Enter Online at [Cotswold Way Century by Cotswold Trail Events Ltd \(racedirector.co.uk\)](http://racedirector.co.uk)

WHAT YOU GET

You will get a personal tracker for the event at registration and will be included in the live tracking for the race. In addition to drinks and food at the check points and loads of encouragement along the way, entrants will receive a memento at race registration.

Finishers will receive a buckle to remind them of their achievement. Finishers who complete the race in under 24 hours will receive a Sub-24 version of the buckle.

ITRA POINTS 6

GETTING THERE

There will be a coach on Saturday morning from Bath to Chipping Campden.

You can purchase a seat as part of the registration process. The coach will leave Bath's Landsdown Park & Ride car park BA1 9BJ at approximately 08:00 and take you to Chipping Campden, where registration takes place in Chipping Campden School.

Parking at the Park & Ride is at your own risk - we take no responsibility for your vehicles or their contents.

The bus stop for the Park & Ride is very near post-race HQ, with frequent service and free parking.

For more info about the car park, see <https://travelwest.info/parkride/bath>

Cotswold Trail Events

Effort – Emotion – Euphoria

CUT-OFF TIMES

The table below shows cut-off times for the race. If you reach a check-point after the cut-off or you have not left the checkpoint by the cut-off time then you will be required to stay at the station until you can be transported back to the finish. You may arrange your own transport if you wish, but must notify check point staff so they are aware that you are leaving and hand in your tracker to a member of race staff. Runners should plan to finish well inside the 32-hour time limit.

If you have not arrived at the finish within the time limit, you will not receive a finishing time or buckle.

THESE CUT-OFF TIMES APPLY TO ALL RUNNERS

Location	Approx Distance from Start	Cut-off Time
Aggs Hill Check Point	27 miles	18:30 Saturday
Birdlip Checkpoint	39 miles	21:45 Saturday
Painswick RFC	48 miles	01:00 Sunday
Wotton-under-Edge	71 miles	08:15 Sunday
Tormarton Checkpoint	87 miles	13:45 Sunday
Finish	102 miles	19:00 Sunday

DROP BAGS

We're happy to take your drop bags to the check points listed below. Please make them fairly compact (standard carrier-bag size, please, not your holiday luggage unless you are in fact travelling to the race from a different country). Drop bags will be returned to the race base after the last checkpoint closes. If you forget it, we will take it home and contact you as long as you have put your tag on it! So, we recommend you treat the final bags as "disposable" if you don't want to hang around until Sunday mid-afternoon waiting for them to come back.

FOOD

We generally put out a selection of sweets & savouries. Typical fare in the past has included flapjacks, peanut butter, marmite, chocolate spread, cheese, pickles, tinned fruit, rice pudding, crisps, nuts, pretzels, gummy sweets, jelly babies, fig rolls, ginger nuts. A selection of these kinds of food is the minimum you should expect to find where the table shows "Yes" for food. We'll bias additional items more towards "food" at the early CPs, with things like cocktail sausages, pork pies, cheese, and sandwiches, then gently migrate towards a bias of "sugary" and salty stuff towards the end. Vegan/Vegetarian alternatives will be available.

HOT DRINKS

We'll be breaking out the camp stoves & thermal flasks to make hot/warm drinks available at some of the check points. Tea, coffee, or soup will form the backbone of your re-warming delights.

HOT FOOD

We will have a vegan chili or similar dish available at Painswick RFC, and bacon rolls at Tormarton. Other aid stations will have soup, spaghetti hoops or other types of wet hot food. Vegan/Vegetarian alternatives will be available.

Cotswold Trail Events

Effort – Emotion – Euphoria

CUPLESS RACE

Please note that this **IS** a cupless race, with the exception of Painswick and event HQ in Bath, we will **NOT** provide any drinking vessels. You must therefore bring your own suitable vessel(s) for hot and cold drinks. Eg mug, collapsible cup, hard bottle.

CHECK POINTS

Check points will be placed at convenient intervals where the route is on or near a road. Water and cola will be available at each check. A variety of sweet and savoury snacks will also be available at the check points. Be reminded, though, that it may take a couple of hours to get from one stop to the next, so participants must carry a drink throughout (see Race Rules). Runners will be able to leave drop bags for some check points, to avoid the need to carry an entire day's food from the start.

Cotswold Trail Events

Effort – Emotion – Euphoria

* Runners are welcome to have 1 non-participant run along with them from the final check point in Weston to the finish. We know it's nice to finish off a big run with family/friends, so enjoy it. Non-participants may not carry anything for the runner or in any way impede other participants. Non-participants may not attempt to stop traffic for runners. Please keep group sizes down as you work through Bath - especially once it starts to get busy.

RACE RULES – IF YOU ENTER YOU WILL HAVE TICKED A BOX TO SAY YOU AGREE, SO READ THEM BEFORE ENTERING

OVERALL RULES

The race is run in accordance with UKA Rules. Unless something below takes precedent, UKA Rules apply.

COVID – 19

Rules in place regarding Covid-19:

- 1. Late rule changes:** The event will follow governing body guidance and requirements in place at the time. Therefore, entrants must accept that Covid-19-related additional requirements to those above may be added and communicated to runners prior to race day.
- 2. Stay away if you are ill:** Participants must not attend the event if they are required to isolate or are suffering from a fever or any flu-like symptoms such as persistent cough, fever, or loss of taste or smell.
- 3. Have a get-home plan in case you abandon / time out on Saturday:** Unless guidance changes significantly prior to race day, all participants must have someone available to collect them if they abandon during Saturday. We will still do our best to get people to a safe place to wait for collection, such as Painswick RFC or Wotton. However, to minimize any virus transmission risks to participants and volunteers alike, we wish to avoid the chained transport we traditionally provide from one safe haven to another.

TRACKERS AND POSITIONING APPLICATIONS

Each participant will be issued with a tracker at registration. The tracker must be turned on and with the participant at all times in the event. Passing the tracker to another person is not allowed.

What3Words: Event officials and medics recommend every participant that carries a smartphone adds the What3Words app to their phone to aid rapid collection in case of emergency. This app is widely used and highly rated by emergency services for providing a precise location into the navigation app of the person who is coming to rescue you. What3Words location details will also be added to the checkpoint information prior to race day to help participants and crews find them.

MEDICAL SUPPORT

Medical support will be available for the whole event, by Challenge First Aid, who specialise in these kinds of events. Their role will be to provide advice and deal with any major/significant issues.

You will be expected to utilise your own first aid kit, as it will be your responsibility for minor issues such as general footcare, dealing with blisters etc.

Cotswold Trail Events

Effort – Emotion – Euphoria

SHORT CUTS

Runners must follow the course. Any runner deemed to have gained advantage by taking a different route is subject to disqualification. Runners who find themselves inadvertently off-course should make their way back to the last-known correct position and re-join the course from there.

PACERS

Supporters are not allowed to run along with the race until after Weston Checkpoint. Every year, someone always says, “It’s a public path, you can’t stop me running on it”. That is correct, we cannot stop people running on the path, but we can and will disqualify the runner they are accompanying.

CUT-OFFS

Cut-offs are in place for both safety and organizational purposes. These cut-off times are based on typical slowing patterns from this and other events, and have been compared back from the slowest past participants at each point to have reached the final cut-off in time and the finish in under 30 hours. From these previous times we have amended the cut-offs for the new 32hr race limit. The most aggressive timing is 10 hours for the first 40 miles, when runners are nice and fresh and have plenty of daylight. Prospective participants who do not expect to run significant portions of the event should reconsider and opt for a multi-day alternative.

Runners who choose to ignore or dispute the cut-off decisions run the risk of continuing without aid station and medical cover and will be invited to refrain from entering future Cotswold Trail Events Ltd events.

ABANDONING THE RACE

Should a runner or team need to abandon the race, please notify the race HQ or check point staff. If you abandon at a check point, you will be transported eventually back to the finish, but this may take some time. When you abandon, please hand in your race number and race tracker. Obviously, if there is an emergency and you are collected by the emergency services, please make your best effort given the situation to let race officials know what has happened.

PHOTOS

In some cases, photos may be taken of participants, they will, eventually, be made available on the website....but give us time! You are welcome to take your own photos of your participation in the event.

By taking part in the race, you agree that we may take photos of you participating in the event, that the photos are the property of Cotswold Trail Events Ltd, and may be used for promotional purposes.

Cotswold Trail Events

Effort – Emotion – Euphoria

RULES OF THE TRAIL

1. **Roads:** The roads are open to traffic. The roads are all typically quiet, but we cannot guarantee that you won't meet cars. You will cross the A46 several times – please take care, as it is a busy road. Marshals and runners cannot stop, slow, or interfere with the traffic. Where pavements are available through towns, especially Bath, please use the pavement rather than the road.
2. We are not the only users of the trails and roads along the route. Everyone you meet during your run has a right to be there. Please treat them with respect. A smile from you will frequently result in a friendly word of encouragement in response.
3. **Gates:** You will be running through a variety of fields, some of which will have livestock and some, where livestock must not go. Please close all gates as you pass through them. Remember, you are out to have fun, but the landowners and tenants on the farms rely on them for their livelihood. Respect their needs, and we will remain welcome to enjoy the trails.
4. **Headphones:** Although we discourage them, runners may wear headphones, but should ensure they are able to hear other trail users nearby. **Both headphones must be removed on all road sections.**
5. **Dogs:** Dogs are not allowed to accompany runners in this race. We love dogs, but this event is not for our four-legged friends. Please leave them with your supporters.
6. **Mandatory Kit:** It's there for when things go wrong, not for when you have the perfect race. Spraining an ankle on a rainy day can be miserable, but doing it without appropriate clothes to hand could be extremely dangerous. We'll be doing spot checks and disqualifying anyone who doesn't have the kit. We may not have all items available for purchase on the day, so bring it with you!
 - a. Water: at least 1.5 litres. During the 1st afternoon, we **suggest 2-2.5 litres (so many people run out if they skimp!)**.
 - b. Paper Map – you'll struggle at night without one. **If you can't read a map, it's best not to enter the race.** Anyone showing up with a single sheet of A4 will be refused entry – it's not funny, and frankly shows a distinct lack of respect for the other runners as well as the volunteers and medics looking after everyone during the race.
 - c. **Waterproof** jacket - full sleeved. We recommend full waterproofs if there's any rain forecast, but do not require waterproof leg coverings.
 - d. A cup for use at aid stations suitable for both hot & cold drinks
 - e. Emergency nutrition (gel, energy bar, sweets, etc.)
 - f. Head covering (hat, multi-use covering, hood)
 - g. Mobile phone, charged (we'll provide race official numbers on race day)
 - h. Bivvy bag or full-sized bin liner –foil blankets just are not enough to keep you warm if it's wet.
 - i. Whistle
 - j. Your tracking device (you will get one at race registration).
 - k. A spare long-sleeved top (tech, cotton, wool – it's up to you). This is not for your drop bag, it's to be carried on your person at all times during the race.
 - l. torch **with** spare batteries (hand-held or head torch): **YOU MAY NOT PUT THIS IN YOUR DROP BAG or Give it to friends / supporters – HAVE IT WITH YOU AT THE START.** Too many of you put it in the wrong bag and end up running in the dark...
 - m. First aid kit, including i. tape (micropore, zinc oxide, flexible, or similar) ii. plasters iii. blister plasters iv. field dressing

Cotswold Trail Events

Effort – Emotion – Euphoria

- 7. Route Markings:** We will not be adding to the existing Cotswold Way route markings except in very few locations. Therefore, expect to follow markings bearing the “acorn” symbol and/or the words “Cotswold Way”. If we add any markings, they will be marked “Cotswold Trail Events” or “CTE”.
- 8. Horses:** Some of you may encounter riders on the course. Please treat the horses with caution and give them as much space as you can. A nervous horse can cope with one or two runners, but you may find a horse that’s had enough of runners and gets quite skittish. If the space is cramped or if a rider is having difficulty controlling the horse, please stop for a few seconds and let the rider get back in control, and then continue at a walk until you have passed the horse. Remember, if you fall down, it hurts, but if a rider falls off a horse, then they are at risk of serious injury and a scared horse becomes uncontrolled. It’s just not worth the risk for a few seconds.
- 9. Permit:** The race is held under UK Athletics Rules, permit granted by the TRA (applied for).
- 10. Littering:** If you pack it, you bin it. Our races are designed to take you through beautiful, scenic locations, so please respect the area by taking your rubbish to the next check point. Runners seen to wilfully litter are subject to disqualification.
- 11. Running poles:** These are allowed in this event. They are to be stored inside/on your running pack or left outside indoor checkpoints to prevent injury to yourself, other runners and checkpoint staff.

SUPPORTERS / SPECTATORS

- 1.** We welcome supporters and spectators on most sections of the course. Please follow appropriate guidelines when using the trails and roads of the area. We especially request that dogs are kept on leads and that supporters following their runners along the course do not block roads, drives, or gates when parking at the side of the road.
- 2.** Please be aware during the night hours that your noise stands out more when the villages go quiet. Cowbells, shouting, cheering, horns honking, and other seemingly welcome encouragement for your runners can cause real problems for the locals and therefore our ability to keep the race going year on year. Therefore, please keep the dark hours quiet wherever possible.
- 3.** Supporters are allowed to provide food, drink, and support to runners along the route, while parked safely, but are not allowed to carry any of a runner’s mandatory kit aside from: the runner’s headtorch, which can be deposited in the final drop bag, may be carried by supporters **after** the final drop bag location. The headtorch may not be carried by supporters at any point before the final drop bag location or before the onset of daylight, whichever is later in the race.
- 4. Supporters are not welcome to park at the 1st aid station at Stumps Cross,** due to the nature of the road and the space available for parking. Please instead take the time to have a break and catch up with your runner somewhere you can safely park.
- 5.** Please park with respect to residents and tourists in Chipping Campden. The town can be bustling on a Saturday, but there should be ample space for everyone to park at the school.
- 6.** Please do not take cars/bicycles onto paths/tracks where they do not belong. Bicycles are allowed on bridleways, but not on other trails.
- 7. Pacers are not allowed before Weston.** While they have every right to be on the trails whenever they want to be, runners who are part of the race are not entitled to receive their assistance. So, while a supporter may enjoy a nice run, you will most likely cause the person you support to be disqualified. Walking in/out of aid stations for a few metres with a runner is not counted as pacing.

Cotswold Trail Events

Effort – Emotion – Euphoria

- 8.** 1 supporter may join a runner during the final miles through Bath (after the route leaves the trails at Weston). Supporters may not carry any items on behalf of the runner while accompanying the runner in these final few miles and may not attempt to stop traffic.
- 9.** Supporters must not impede any other race participants.

As well as the check point locations, supporters may also appreciate stopping off at Broadway Tower, Winchcombe, Cleeve Hill, Leckhampton Hill, Painswick, Dursley, North Nibley, Wotton-under-Edge, and the handy layby near Bath Race Course on Freezinghill Lane. Please be aware that Crickley Hill Country Park will close by 21:30.
