Vehicle, License plate if you can.**

**Take Note of Time, Date, Location,
This way you, or us can post online to find
and notify family members.**

**Always be recording what's happening
from a safe distance. You are legally allowed
to film law enforcement.**

If you are able to, inform or remind them:

No Diga Nada, No Firme Nada,

(Don't say anything, Don't sign anything)

**Agents will trick them into signing a voluntary
removal form, and they will not get their day in court.**

**We are there to Document, and Inform people of
their Constitutional rights.**

**We're there to save lives, not go to jail. We can't help
anyone behind bars. Don't give them the satisfaction
