

# Top Lix Top Value

## A Multipurpose Salt, Mineral, Vitamin & Protein Horse Lick

**Top Lix Top Value is a multipurpose mineralised horse specific lick block with good levels of vitamins and key amino acids**

Top Lix Top Value provides a good level of all the essential minerals, trace elements, vitamins and protein that most horses require, whether they be racing, showing, working, growing, in-foal, supporting a foal or just enjoying the paddock life.

With a good balance of calcium, phosphorous, copper and manganese for bone development; copper, zinc, manganese, selenium, iodine and vitamin E for an immune system boost; vitamin A and B for health and metabolism; chromium for glucose clearance and muscle retention; and essential amino acids for muscle growth, Top Lix Top Value is an economical way of helping to maintain the health, appearance and performance of all horse types.

### **Directions of use**

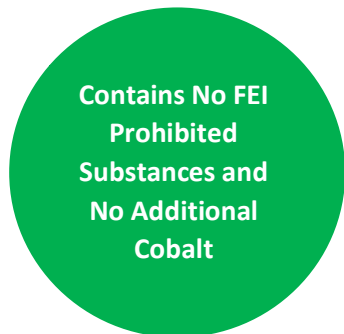

Place blocks near watering points. One block should maintain 3 to 6 horses each month under normal conditions
