Many of us have signed up for benefits for the first time. You can do so online at [How To Apply For VA Health Care | Veterans Affairs](#) If you think you may have a service-connected disability, you can apply with the American Legion, VFW, DAV, and County Service officers. Please apply for benefits even if you don't plan on using them or currently have insurance, it is your benefit. We have some small literature racks for American Legion and V.A. benefits near the sign-in book at TREA Chapter 39.

Please let me know if you have any community events and / or fund-raising ideas that "Our " post can be involved in.
