

8th Annual Lions Club 2-Person Team Scramble Golf Tournament Thank You

Our 8th Annual Lions Club Two-Person Team Scramble Golf Tournament was an overwhelming success on Saturday, May 16, 2026, at the American Falls Golf Course. We are proud to recognize and sincerely thank the many businesses and individuals who supported our annual post-secondary scholarship drive. We were able to present \$1,000 scholarships to four graduating American Falls High School seniors. The generosity of our supporters speaks to the strong spirit of community in American Falls and helps local students take meaningful steps toward higher education and their future goals.

We also extend sincere thanks to the American Falls Golf Course and its staff for hosting our annual tournament that supports this effort.

The American Falls Lions Club is committed to supporting the local community through service, partnership, and programs that create opportunities for students and families.

WE THANK ALL OF OUR SUPPORTERS!
