Dear Hiring Manager,

I am excited to apply for the barista position.

With a strong background in customer service and barista roles, I am passionate about delivering exceptional experiences and contributing to a welcoming and efficient environment.

In my previous roles, I have developed expertise in crafting high-quality beverages, managing independent responsibilities, and fostering meaningful customer interactions. Most recently, my hours were reduced due to a slowdown in business operations, as I was the most recent hire. While I remain able to assist on a flexible basis, I am eager to find a position where I can consistently contribute and further develop my skills.

Through my experience, I have gained a reputation for thriving in dynamic, fast-paced settings, excelling under pressure, and maintaining high standards of quality and organization. Whether managing inventory, performing opening and closing duties, or working directly with customers, I bring enthusiasm, attention to detail, and a commitment to excellence.

My combination of customer-focused skills and operational expertise makes me confident in my ability to contribute positively to your team. I would welcome the opportunity to discuss how my experience and skills align with your needs. Please feel free to contact me at (208) 610-8119 or via email at Brice.Barth15@gmail.com to schedule an interview.

Thank you for considering my application—I look forward to the possibility of contributing to your team's success.

Sincerely,

Brice Bartholomew
