ABOUT FARRER HORSE

Housed in a well-preserved shophouse located at Kampong Glam, Farrer Horse takes guests on a heritage journey. Spanning across two storeys in The Sultan Hotel, the dining room and cocktail bar pay homage to the equestrian-filled exuberant merrymaking that defined Farrer Park Racecourse during its 1840s establishment.

DINING ROOM (LV 1)

Guests are invited to a gastronomic journey that reflects Singapore's multi-ethnic society at the former racecourse.

The dining room serves a diverse mix of Western and Modern Asian-inspired creations with a fusion twist, highlighting flavours unique to Singapore's colourful culture.

Seating up to 50 pax with a private dining area, the dining room offers a selection of wine, beer, and spirits.

STABLE BAR (LV 2)

Affectionately named after a horse's home, Stable is Farrer Horse's grandiose bar located on the second floor. The spacious interior also comes with a private mezzanine and al-fresco balcony, comfortably seating up to 80 pax.

Anticipate an elevated drink program with novel horse-themed cocktails, with inspirations from derbies across the globe and throughout racecourse history. Offering a unique balance of grandeur and comfort, Farrer Horse and Stable are perfect for your corporate and private events.
