Artisan producers of meads and ciders in a wide range of styles. A small tap room invites you to pull up a stool and sample a flight of craft meads and ciders. The tap & bottle list rotates frequently, and experimental batches don't last long! The list of products available to take away in a growler varies weekly. A fun food menu provides a variety of compliments to a flight or pint of one of our delicious beverages. There is also a company store where you can buy Ancient Fire branded gear. Availability of all products, but notably standard meads and special releases, will vary seasonally due to ingredient availability and aging.

Averill House Vineyard is a family owned winery located in the heart of the Historic Ice District of Brookline, New Hampshire. Established in 2017, we restored our 1830's barn with a vision of rustic charm, tradition, and history. The vineyard now has over 500 vines with 11 different varieties. Our wines include reds, whites, fruit, blends, dessert, and limited edition wines. There is always a good selection of styles for everyone to enjoy! We focus on keeping a grape-to-glass philosophy by sourcing grapes from the regions where they grow best, some of which include grapes grown on premises and fruits from all over southern New Hampshire. We have cultivated the experience at the winery with our visitors in mind.

We're absolutely certain that you're a taste away from finding your next New England favorite.

Mermaid Hill Vineyard

82 Currier Road www.mermaidhillvineyard.com
Concord, NH 03301 772-341-1850

Saturdays, May - October: 1-5pm

Established in 2012, Mermaid Hill Vineyard is a small artisan winery located in Concord, New Hampshire. As farmers, our team believes the best wine starts in the vineyard, with happy grapes growing in living soils. We dedicate our hands and hearts to creating a thriving, diverse ecosystem for our vines. Our mission is to craft wine that is deeply expressive of these New Hampshire hills that we call home -- wine that respects the earth; wine that is nourishing and delicious!

About three miles from Concord city center, Mermaid Hill Vineyard offers tastings and tours every Saturday from May - October. Currently, we make a full-bodied, fruit-forward red wines with wonderful aroma and complexity, and we will harvest our first white grapes for wine in autumn of 2020. Come by for a glass of wine, stay for a picnic or spirited conversation with our crew!

We employ technologies and processes that promote environmental and human health, and pay a fair wage for hard work. The sun both ripens our Marquette grapes to perfection, and provides the electricity we need to power our winery. We use no synthetic herbicides, insecticides or fungicides in our vineyard, focusing instead on organic techniques, plant health and keen observation. The Mermaid Hill team is excited to bring you a great New Hampshire wine. We wholeheartedly believe that where there is good wine, there is good life!

Poocham Hill Winery is a small artisanal operation producing wines from its own vineyards. Our winery and tasting room is located in an early 1800's vintage barn in the Connecticut River Valley. We started planting our vines over 22 years ago, growing wine grapes cultivated for our climate in the deep sedimentary soil of our farm. We produce both red and white varietals and blends. Our customers are impressed by the quality of our wines from grapes grown in New Hampshire. Our own high quality grapes are the key to our success. We invite visitors to come to Poocham Hill Winery to taste our wines for themselves and tour our vineyards.
