EXECUTIVE SUMMARY

American Veteran Ventures, LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) delivering high-stakes operational strategies, global logistics resilience, and critical infrastructure protection. Led by a U.S. Army Veteran and C-Suite Executive, we bridge the gap between federal compliance and commercial profitability. Our team includes Certified Fraud Examiners (CFE) and former DEA investigators, providing unmatched expertise in corporate governance, inventory control, and supply chain integrity.

CORE COMPETENCIES

Corporate Strategy & Ops

C-Suite oversight of P&L, 5-year strategic roadmaps, and cross-functional leadership.

Healthcare Compliance

Management of **DEA Pharmacy Registrations**. Rigorous inventory control & chain-of-custody protocols.

Global Logistics

End-to-end supply chain resilience, CONUS/OCONUS distribution, and infrastructure defense.

Financial Integrity

Internal controls, forensic auditing, and loss prevention led by **Certified Fraud Examiners (CFE)**.

Digital Solutions

White-label mobile app development (Agoyu) focused on military family relocation and digital strategy.

Operational Resilience

Business continuity planning integrating physical and cyber defense strategies for high-value assets.

DIFFERENTIATORS

- **Executive Leadership:** Led by a C-Suite Executive with deep experience managing \$1B+ revenue streams.
- **Specialized Expertise:** Rare combination of enterprise logistics, high-level DEA regulatory oversight, and forensic fraud examination.
- **Proven Performance:** Track record of creating ESRM programs for federal entities and large commercial enterprises.
- **Rapid Deployment:** Ability to mobilize cleared personnel and subject matter experts for complex global requirements.
