Adopter's agreement

• I agree that the cat is being adopted for myself and will not be sold, adopted, or given to another party.

• I agree that the cat will not be allowed outdoors without supervision.

• I agree that this is to be a companion cat, not a guard cat. The cat will live inside my home. At no point should the cat be caged or tied for long durations (more than 2 hours).

• I will keep the balcony and windows netted

• I agreed to follow the travel advisory (if applicable)

• I agree that the cat must be spayed/neutered by 6 months of age. If the cat is not spayed/neutered prior to adoption, proof of surgery must be mailed to the rescuer/foster within 30 days of the procedure.

Stray iCare is an initiative by iNaturewatch Foundation which a charitable environmental trust.

• I agree to care for the cat in a humane manner. This includes supplying adequate food, water, shelter, attention, and medical care.

• I agree that if at any point I cannot keep the cat, I will return him/her to the original rescuer/foster. • I understand and agree that the current rescuer makes no guarantees about the cat's temperament and is not responsible for future damages or injuries caused by the cat.

• I give the current rescuer permission to call or visit my home at any reasonable time (9am to 9pm) to assure that the cat is being properly treated and cared for. If there is a change in the location of the cat, the rescue should be informed.

• I agree to keep the rescuer informed of my current home address and phone number.

• I agree that on regular interval I will send updates and pictures of the adopted Indian kitten to the rescuer/foster as and when asked and will have no issues in providing updates when requested

• I will keep the pet up to date with all vaccinations and de-worming as recommended by the veterinary doctor I agree that all statements I have made on this form are true. If it is found that any statements, I have made on this form are not true or if I fail to fulfil them, the adopted cat can be confiscated.

ANNEXURE: TRAVEL ADVISORY (if applicable)

ANNEXURE: TRAVEL ADVISORY

Adopter will meet necessary expenses required to prepare the animals for a long journey. The details are given below:

Before Travel:

- You or a trusted person can book an AC train ticket and carry the kitten(s) in a secure carrier/crate.
- Vet health check-up within 24–48 hours for Health certificate (mentioning "fit to travel")
- Vaccination & deworming
- Pet carrier or crate (secure, well-ventilated) Soft towel/blanket inside the crate with pee pads on the top (keeping several pee pads handy for frequent change every two hours)
- Printed health documents and ID proof
- Include in travel pack: Small bottle of water + bowl, Wipes and tissues, Small litter tray or absorbent sheet, Dry/wet food/ treats, Any necessary medication

During Travel

- Keep checking on the kitten every two hours to see if pee pads are soiled, change the same if needed. Give them water and some treat. Provide them litter box for pissing or passing stools
- Keep them warm in airconditioned conditions by keeping them covered small blanket
- When removing from the carrier ensure they are on leash, pat them to calm them

Upon Arrival:

- Prepare a quiet space for the kitten to settle
- Provide the same food brand as before for the first few days
- Ensure access to water and litter tray
- Observe for signs of stress (hiding, vomiting, etc.)
- Share update video with rescuer upon arrival and thereafter every within 24 hours till the kittens get settled.
