## AN EXTRA ORDINARY SHAPE, DESIGN & CREATION INSPIRED FROM NATURE

This catalogue is show case of our innovative custom sinks. At "Scanord Trade" we are committed to show our customers the beauty of nature. Our creative designers offer the luxury of fine art as a centerpiece of your bathroom. We are here to change the traditional sinks by introducing many new products and designs to serve you better and help you to drag the attention to your hospitality business. Weather you chose to have "SWINK" for your home or your hospitality business, our designs will provide comfort and convenience; it is not only aesthetically appealing but also space efficient.

## TIPS FOR DAILY CARE

"SWINK" offers a sense of indulgence and an extra vegence gives stunning beauty to your bathroom. "SWINK" is resistance to most of the acids and alkalis commonly encountered. For regular care and to keep your sink shiny, you will only need a damp cloth to clean, after washing you must wipe the sink with a dry cotton towel.

\*never use any type of abrasive material for cleaning

WATER PROOF

ACID RESISTANCE

### Note :

The texture of the products may vary in each piece because of the natural textures, whereas the shape and color tones will remain the same.
