

HYBRID

THEORY

The cover art features three characters in red and black suits standing on a rocky, mountainous landscape under a dark blue sky. The character at the top is a young man with black hair, wearing a red and black suit with a white scarf, perched on a tall rock. The character on the left is a woman with red hair and small red horns, also in a red and black suit, standing on a rock. The character on the right is a young man with blonde hair, seen from the back, wearing a red and black suit and holding a silver gun. The title 'HYBRID' is in large, white, outlined letters at the top, and 'THEORY' is in smaller, white, outlined letters below it, with a circular graphic element behind the 'O'.
