TRUCKEE CA

Proof of Residency Requirements For California

All Firearms Per: **BATFE** for form 4473

- Government issued document showing the transferee's current residence. Most common is your valid state issued (DMV) driver's license or ID card with your **CURRENT** physical address on it. Military identification is also acceptable if accompanied by permanent duty station orders indicating a posting in CA. If it does not have your current physical address on it, then you must bring one of the following as well with your current physical address on it:
 - Valid CA Vehicle Registration (Car, Boat, Motorcycle – no trailers)
 - Valid Concealed Carry Permit (CCW)
 - Valid CA Resident Hunting License
 - Government Utility bill within 90 days (City, Municipal, Public)
 - CA DMV Printout within 90 days
 - Valid Guard/Firearms Permit
 - Type 3 FFL
 - Amateur Radio License
 - And others-must be Government issued and valid with expiration date and address.

Additional Requirement for ALL Handguns

- All Handgun purchases require another proof of Residency to accompany the DROS. It can be any of the following:
 - Utility bill - from the past three months that bears on its face your physical address on your 4473. Utility must be physically connected to the residence.
 - Residential Lease – that has your physical address on it matching the 4473 and is dated and signed.
 - Property Deed - that has your physical address on it matching the 4473.
 - Current, Government-issued License, Permit, or Registration, **other than** a CA Driver's License or ID card (DMV Printout will not work), that has a specified expiration date or period of validity. The document must bear your name and address as on the 4473.
