

# Join our NBMA team as a Field Sports Supervisor!

Are you passionate about sports and looking for an exciting opportunity to make a difference this summer? The NBMA is on the hunt for an enthusiastic individual to lead our field sports and basketball programs designed for the kids of Norway Bay. This is your chance to have fun, build skills, and be a positive role model for kids, all while enjoying the beautiful outdoors.

## **What you'll be doing:**

- Keep everyone safe and having a blast by supervising all activities closely.
- Make sure everyone feels included and has an awesome time, no matter what!
- Team up with the Directors to tweak and improve our basketball lesson plan and weekly field sports plans.
- Lead the charge by guiding other staff and volunteers in running cool drills and activities.
- Show off your skills by performing sports drills and demos that get everyone pumped.
- Keep things hands-on and fun to keep participants engaged and active.
- Follow all health and safety rules to keep the vibe positive and safe for everyone.

## **What you bring to the table:**

- A positive, friendly, and super enthusiastic attitude
- A love for sports and outdoor games, especially basketball
- At least one year of experience in activity instruction (bonus points if you have experience as an NBMA instructor in basketball or field sports)
- Current First Aid/CPR-C/AED certifications
- Great at connecting with people
- Extra experience in supervising, athletics, coaching, and instruction is a huge plus!
