To whom it may concern:

I am writing this letter of recommendation on behalf of Michael Huddleston from A & M Services Northwest. A & M Services has been our janitorial company for a year and a half. They go above and beyond to make sure our restaurant stays clean to our specification. Michael visits us at least once a week to follow up on his cleaning crew's performance and make sure we are happy with the results. If we need to address an issue, Michael is quick to respond and always makes sure we are satisfied with the final results. His past experience working in restaurants helps him see the restaurant as a manager would look at the restaurant. His teams consistently achieve high standards of cleanliness. Michael is also a big help when it comes to basic repairs such as caulking or grout repair. I am happy to have him helping me keep The Old Spaghetti Factory looking its best. If you are considering using A & M Services for your Janitorial need, you will not be disappointed.

Sincerely,

A handwritten signature in black ink, appearing to read "Kent Belser", written over a faint, ghosted watermark of the name "GILBERT" and "25% COTTON".

Kent Belser
