

STARBASE PETERSON HOMESCHOOL ACADEMY AUGUST 3-7, 2026

DOD STARBASE is a nationwide program that has been developed for 5th grade students to inspire interest in STEAM education and explore STEAM careers on a military installation. STARBASE Peterson conducts all classes at our academy on Peterson Space Force Base.

WHAT IS STARBASE PETERSON'S HOMESCHOOL ACADEMY?

- A full week of engaging "hands-on/minds-on" activities for rising 5th and 6th graders
- Peer-reviewed, inquiry-based curriculum developed to introduce a variety of STEAM topics supporting both national and state STEAM standards
- Open to students who are homeschooled OR who did not/will not attend with their school during the school year
- Anyone can apply for the homeschool program; priority is given to military dependents
- STARBASE IS FREE! There is never a fee for any STARBASE program, camp, or class

Registration for the August Homeschool Academy is NOW OPEN and space is limited. For registration forms or to learn more about this FREE STEAM program, please visit www.starbasepeterson.com or visit us at [Facebook.com/StarbasePeterson](https://www.facebook.com/StarbasePeterson).
