

Who We Are

SRG is a consulting firm specializing in vendor invoice auditing, contract optimization, and sustainability compliance for multifamily communities, hotels, restaurants, industrial facilities, and commercial buildings. We identify hidden charges, correct overbilling, negotiate improved rates, and enhance sustainability — all without requiring you to switch providers.

Our Services

- Invoice Auditing: Waste, recycling, uniforms, chemicals, wash machines, pest control, grease traps.
- Monthly Monitoring: Recurring audits, dispute resolution, rate protection, savings verification.
- Contract Optimization: Negotiation, charge correction, pricing models, service adjustments.
- Sustainability Compliance: Diversion analysis, ESG alignment, quarterly impact reporting.

Tagline

“Committed to finding savings and improving sustainability by optimizing your services — without requiring you to change your provider.”
