

WIRE FRAUD!

HOW TO PROTECT YOURSELF

Always Verify

Confirm all wiring instructions by phone before transferring funds. Always use the title company's phone number from their website

Be Suspicious

It's very uncommon for title companies to change wiring instructions and payment info by email

Follow up

Within a few hours, call the title company to confirm they received your money

WHAT TO DO IF IT HAPPENS TO YOU

- **Contact your bank immediately**
- **Ask your bank to contact the bank where the fraudulent wire was sent**
- **File a complaint with the FBI's official Internet Crime Complaint Center: bec.ic3.gov**
