## SRC Athletic Department Hosting Casino Night October 28

The Spoon River College Athletic department is hosting a Casino Night fundraiser on Saturday, October 28, at 6 p.m. in the Multi-Purpose Building on the Canton Campus. Proceeds will help support the athletic programs.

"We first hosted a Casino Night in 2020, then had to skip 2021 because of the pandemic," said John Bassett, athletic director and head softball coach. "We brought it back last year and it was well attended. It's a fun community event, and we hope to see it continue to grow in attendance."

The cost of admission is \$50 and includes 25 playing chips, free food, drink ticket, prizes, and silent auction items. Games featured will be blackjack, poker, craps, and roulette. "Attending this event is a great way to see the facilities and meet some of our athletes," said Bassett. "We're also still seeking table sponsors and prize donations."

Spoon River College offers baseball, softball, volleyball, and men and women's basketball, e-sports, and are preparing to add bowling also. More information about the athletic programs can be viewed at [www.src.edu](http://www.src.edu) or by visiting the Spoon River College Athletics Facebook page.

For more information or to purchase tickets, contact John Bassett at [john.bassett@src.edu](mailto:john.bassett@src.edu) or 309-649-6303. The Canton Campus is located at 23235 County Hwy 22.

Student athletes at Spoon River College will once again be hosting the Casino Night fundraiser on Saturday, Oct. 28, at the Multi-Purpose Building on the Canton Campus. Pictured are athletes who volunteered their time during the 2022 Casino Night.

*In Remembrance*

**Richard Carroll (Rich) Wallen**  
 10-04-1958 to 08-04-2023

When Richard Carroll (Rich) Wallen passed away on August 4, 2023 my family and I were absolutely overwhelmed by the feelings of the sympathy, the support and graciousness of all the people who touched our lives at that time.

If for any reason, we neglected to thank you for your support and kindness, please know we tried our best to remember everyone.

Rich would have turned 65 on October 4, 2023. He would be amazed and humbled at how many lives he touched. The parishioners and clergy of St. Paul Church, his biking and kayak buddies, all the people he worked with over the years - but most of all his family and friends stood to be counted as friends and loved ones.

Please be proud to know that you are good and loving people and will always be remembered in a special way by our family.

Sincerely,  
 Maureen Wallen

## STRANGE BUT TRUE

By Lucie Winborne

\* If you want to become a police officer in Norway, you'll need a B.A. from the Police University College. The program includes theoretical studies in criminal law, ethics and social sciences, plus a year of practical field training.

\* Chloroform was once used in the treatment of asthma, cholera and gonorrhea, not to mention as a sweetener in medicines.

\* Folks around the world really do love their soda -- to the tune of about 6,700 cans per second, or enough to wrap around the earth every 17 hours. Be sure to recycle!

\* International animal rights organization PETA asked musical duo the Pet Shop Boys to change their name to Rescue Shelter Boys. (Obviously, they refused.)

\* During a Bulls vs. Jazz game in 1987, after basketball legend Michael Jordan dunked over John Stockton, a 6 foot, 1 inch guard, an upset fan yelled at him to "pick on someone your own size." In response, Jordan next dunked over the 6 foot, 11 inch Mel Turpin, turned to his heckler, and asked, "Was he big enough?"

\* Slave ants capture ants from other colonies to increase their workforce.

\* If you measure it in terms of rainfall, a hurricane releases the force of 10,000 atomic bombs over an area about 413 miles wide.

\* The prevalence of syphilis in the 19th century led to a sharp increase in demand for sunglasses, as the disease causes intense sensitivity to light if left untreated.

\* Thousands of years ago, keys were made from wood.

\* During the "I smell a rat" scene in the Martin Scorsese flick "The Departed," Jack Nicholson decided things didn't feel quite intense enough, so he improvised by pulling a real gun on co-star Leonardo DiCaprio.
