Spoon River Garden Club of Canton Donates \$500 for Student Needs Center

Members of the Spoon River Garden Club visited the Canton Campus of Spoon River College to present a check for \$500 to President Curt Oldfield that will go towards items for the Student Needs Center.

"We are fortunate to be in such a caring community, and are grateful for the generosity of those who help our students," Oldfield said.

While the Student Needs Center originally stocked only food items, Oldfield said it had expanded to include non-perishable food items, household and hygiene products, and various school supplies after they realized that these items were needed as well.

McDonough County Health Department Observes National Heart Month

Macomb, Illinois- The McDonough County Health Department (MCHD) observes February as National Heart Month, a time when all people can focus on their heart health. Heart disease is a leading cause of death for both men and women in the United States. There are many ways that you can protect your heart and stay healthy.

Heart-healthy living involves understanding your risk, making healthy choices, and taking steps to reduce your chances of getting heart disease.

- Understand your risk. Common risk factors for heart disease are high blood pressure, high cholesterol, overweight, diabetes or prediabetes, smoke, do not get regular physical activity, family history of heart disease or are a woman over 55 or a man over 45. Each risk factor increases your chance of developing heart disease.

- Get your blood pressure and cholesterol checked. If either of these numbers are high, work with your primary healthcare provider to

In Canton and Macomb, the Student Needs Centers are located in the Learning Resource Centers, and all Spoon River College students—including those taking online classes or those taking classes at the Havana and Rushville centers—can request items via an online form or by reaching out to the Student Success Coaches. In addition, tables with some items are located at all of the college's locations in areas where they can be freely accessed by students at any time.

"This is just one of the ways that we work every day to create an environment that supports student success, because when our students succeed, that benefits not only them but also the communities they'll return to and work in," said Oldfield.

The Spoon River Garden Club - Canton, IL is an organization whose mission is "to promote, foster, cultivate, and share," and can be found on Facebook where they share all things plants related. The group also hosts an annual plant sale that takes place in May the weekend after Mother's Day.

get it to a healthy range. During the month of February MCHD is offering a discounted lipid panel (cholesterol levels) for just \$40. Call (309) 837-9951 ext 2270 to schedule an appointment. MCHD also offers FREE blood pressure checks with no appointment necessary.

- Choose heart-healthy foods. Limit sodium, saturated fats, added sugars and alcohol. Vegetables, fruits, whole grains, fat-free and protein rich foods are the foundation of a heart-healthy eating plan.
- Get regular physical activity. Regular physical activity can help you lose weight, improve physical fitness, lower many heart disease risk factors, lower stress and lower your risk for other conditions such as Type 2 diabetes, depression and cancer. Consult with

your healthcare provider about starting a new exercise plan.

- Manage stress levels. Research suggests that stress can contribute to high blood pressure and other heart disease risk factors. Consider stress reducing activities such as: talking to someone, participating in a stress management program, meditating, being physically active and using relaxation techniques.

- Quit smoking. Smoking raises other heart risk factors, your risk of heart disease, heart attack, and cancer. Talk to your doctor or reach out to the Illinois Tobacco Quitline at 866-QUIT-YES for tobacco cessation counseling and nicotine replacement therapy.

The McDonough County Health Department urges residents to take the right steps to get their heart healthy.

Each edition of Tuesday, Wednesday and Friday will have a letter hidden in a sponsor's ad for the next 4 weeks, ending **February 16th**. Once you have found all the letters and the form is filled out, drop it off or mail it to our office at the address below. We will announce the winners in the **February 23rd** Community Brief newspaper. Did you notice we said WINNERS? YES! We will randomly draw 2 winners out of the entries we receive...so you have twice the chance to win! Must be 18 to enter and only one entry per household, please. No purchase necessary. Must present February utility bill to receive credit. You may find a hidden letter in one of the following businesses; some will have more than one hidden letter on multiple days, others may not have any:
