SRC Offers Food Service Manager Certification Courses in Macomb

Macomb - Spoon River College is offering a class called "Food Service Sanitation Manager Certification" on Monday, January 22nd from 8:30am-3:30pm at the Spoon River College Outreach Center in Macomb.

All establishments which serve food must have one certified person on the premises at all times. In order to obtain a new FSSMC Certificate, you must complete an eight-hour ServSafe® IDPH approved course and pass an exam accredited under the standards developed and adopted by the Conference for Food Protection with a score of 75% or better. This course, instructed by I Food Manager (IFM), covers up-to-date information on safe food handling, preparation, food storage, per-

sonal hygiene, and the prevention of food borne illnesses. Completion of this course does not guarantee you will pass the exam. Students are advised to utilize any study materials provided before attending class. Courses are instructed by Wanda Adkins of IFM.

Additional classes will be held on February 26th, March 25th, and May 6th.

There is a fee to attend and pre-registration is required. Classes will be held at the SRC Outreach Center located at 2500 East Jackson St. in Macomb. For more information or to register, call 309-833-6031 or register online at <https://src.augusoft.net>.

SRC Offers Woodworking Classes in Rushville

Rushville-Spoon River College is offering the below Woodworking classes. New this semester is the Advanced Woodworking class for those that have already taken our Beginning Woodworking class.

Beginning Woodworking will be held on Wednesday's, January 31, April 3rd from 6-9:15pm. Students in this class will learn about basic wood-working. Topics to be covered include; tools and equipment, planning and design, selecting materials, shop safety, material assembly and final surface preparation. Tools that will be used and demonstrated in class include; Radial Arm Saw, Table Saw, Jointer, Planer, Lathe, Drill Press, Band Saw, Various Sanders, Router, Shaper and Portable Power Tools. Students will be given hands-on training and discuss woodworking planning and techniques, as well as, complete their own woodworking project utilizing the skills and techniques learned in class.

Advanced Woodworking will be held on Monday's, January 29th-April 1st from 6-9:15pm. Students will build upon their previous woodwork-ing skills. In Advanced Woodworking, students will select, design, and construct their own project. Topics covered include; planning and design, selecting materials, review of shop safety, material assembly and final surface preparation. Students will be given hands-on training and discuss woodworking planning and techniques, as well as, complete their own advanced woodworking project utilizing the skills and techniques learned in class. REQUIREMENTS: Beginning Woodworking class.

These classes are for ages 16 and older and are instructed by Andrew Stevenson. There are fees to attend and pre-registration is required. Classes will be held in the Rushville-In-dustry High School Shop. The wood shop is in a small brick building just before the Schuyler Industry Middle School gymnasium entrance located at the north end of Maple Ave; it is a small brick building on the right side with a 21 on the door.

For more information or to register, call Spoon River College at 217-322-6060 or sign up online at <https://src.augusoft.net>.

STRANGE BUT TRUE

By Lucie Winborne

* Fireflies are the most efficient producers of light in the world.

* Tong Anon solved 840 Rubik's cubes, then used them to create a portrait of his crush and declare his love for her. Sadly, she rejected him.

* A runaway tortoise in Putnam County, Florida, covered a span of five miles in three and a half years before ending up at Florida's Wildest Animal Rescue, where a staff member was able to determine its identity and reunite it with its owners.

* Snake Venom, the world's strongest beer, has an alcohol level of 67.5%.

* Breton, a great white shark, created a self-portrait of sorts with its GPS tracker on its travels through the Atlantic Ocean. What made the mapped outline remarkable was its resemblance to a great white shark!

* Anuptaphobia is the fear of being single forever.

* Sixteen-year-old Titanic survivor Katherine Gilnagh didn't understand the ship's dire situation until she made it safely to New York, but thought that being put into lifeboats and picked up by the Carpathia was part of the voyage.

* Asian hair grows 30% faster than Caucasian hair.

* The soft drink Mountain Dew was created in Tennessee in the 1940s as a mixer for whiskey, hence its name (a slang term for moonshine).

* If, like many Americans, you have trouble getting to sleep, you might try the advice of researchers and go low-tech camping for at least a week. The lack of electronics helps reset the body clock and synchronize melatonin hormones with sunrise and sunset.

* A bookstore in Australia wraps its volumes in paper with short descriptions attached so potential buyers won't "judge a book by its cover."

Thought for the Day: "How wonderful is it that nobody need wait a single moment before starting to improve the world." -- Anne Frank
