FEES AND PAYMENT

We are a mixed billing practice.

Bulk billing applies to the following only:

- **65 years or older with a valid Pension Card issued by Centrelink**
- **Children 12 years old or younger**
- **DVA Gold Card holders**
- **DVA White Card holders consulting about an eligible condition**

Bulk billing does not apply to procedures, skin checks or employment medicals etc.

Fees are payable at the time of consultation and can be made via cash, EFT or credit card. EFTPOS facilities & Medicare claiming is available on site.

If you think you need more time than a standard 15-minute consultation, please let us know at the time of making your appointment. For example, you will need more time for your first visit, if you want to discuss multiple problems, for a complex health issue, or for a mental health assessment. Making the right appointment for your needs will assist the

doctor to run to schedule. Whilst we endeavour to run on time, it is not always possible. In the interest of good patient care, some patients consulting times may be extended. We respect our patients needs and are proud of the services we provide and hence try to accommodate your individual needs as much as possible. In return, we would like all patients to respect our clinical and reception staff by being considerate and understanding when acutely sick patients or emergencies are fitted in and unavoidable delays occur. Please remember if your doctor is running late, it is because someone needed his or her extended care and attention. We will do our best to advise you if there is a delay and give you the option of rescheduling if you are unable to wait.

If you arrive for your appointment and you think you require urgent assistance (due to chest pain, difficulty breathing, dizziness, bleeding or severe pain) or you believe you may be contagious (cough/cold, flu symptoms, gastro, rash) please advise our reception staff immediately so we can assist you.

HOME VISITS

Home visits can be arranged for eligible existing patients. Please contact reception or speak to your GP to discuss further.

UNABLE TO ATTEND YOUR APPOINTMENT

We respectfully ask if you can no longer attend an appointment, to please cancel or reschedule through your confirmation message or by calling reception. A cancellation or non-attendance fee of \$30 will apply if your

appointment is cancelled with less than 4 hours' notice or is not attended. Future appointments will not be scheduled until this fee has been paid.

TELEPHONE CALLS AND COMMUNICATION

Generally, your doctor will be unable to speak with you while consulting with other patients. Your phone query will

be handled by our friendly receptionists who will try to assist your enquiry or pass a message onto your doctor.

TEST RESULTS

During your appointment your doctor will advise you to make a follow up appointment for your results. If you have not booked an appointment and your doctor wishes to see you regarding a "non-urgent" result you may receive an SMN notification, email, SMS notification or a phone call asking you to book an appointment. All urgent test results will be contacted by phone to arrange an appointment.

ZERO TOLERANCE POLICY

Our practice does not tolerate or endorse threatening and/or abusive behaviour (verbal or physical) towards our team members. If you fail to treat our staff with respect you will be asked to leave the practice and find a new GP.

WORKCOVER

Patients presenting with a work-related injury are liable for all costs involved. You will be required to pay for your

consultations until your insurance provider has accepted liability and given you a claim number. Once you have received a claim number we will then forward all accounts directly to your insurer.

FEEDBACK

Our practice tries very hard to provide our patients with a high-quality level of care and we aim to continually improve our systems and services to help us better care for you. We will gladly listen to your suggestions or complaints and follow them up constructively.
