

# Positive Direction

Recovery Resources

Positive Direction Recovery Resources is a 28-day residential addiction treatment center for men, located just twenty minutes north of Baton Rouge in the beautiful hills of the Felicianas. Recovery from the disease of addiction is one of the most difficult journeys to undertake. The staff at Positive Direction is here to help you start that process.

Our secure 18-bed facility offers confidential individualized treatment for those who are ready to change their life's path to a more positive direction.

Our professional staff will assist you in every step along the way, from intake to aftercare, ensuring that you receive adequate tools to succeed in your new life.

*Start your positive direction today!*

### 18 Beds

Our 18 bed facility allows us to individualize care for each client who walks through our doors.

### Jackson, LA

Located in the hills of the Felicianas, our grounds allow each client to recover in a beautiful environment.

### Medicaid

Positive Direction Recovery Resources is in-network with all Louisiana Medicaid.
