LIFE PROOF PROTECTION PLANS ON DENTAL TREATMENT AND APPLIANCES

CareFi Dental
WARRANTY PROGRAM

- ✓ Nationwide
- ✓ Life Proof
- ✓ 6 Year Protection
- ✓ Peace of Mind

WHY DENTAL WARRANTY?

With Dental Warranty, patients can get a Protection Plan from your practice that gives them peace of mind for up to 6 years.

If your patient experiences a “life happens” event, your practice will be compensated up to the full original treatment fee to repair or replace the covered treatment, with no up-front cost to the patient.

Plus, your practice can generate a healthy additional revenue stream as patients opt in to the Protection Plan. It's a win-win!

Stand Out

47% of patients are more likely to choose a practice offering treatment protection plans.

Protect Revenue

No more loss chair time - get paid for what you do best.

Increase Loyalty

Extended protection plans can drive a 3x increase in return hygiene visits and patient referrals.
