

QUALITY STANDARDS

We provide safe housing environments that exceed national standards for people in recovery with in-house services and a commitment to compassionate care. Our housing is safe, secure, and comfortable enough to be called home.

Shining Light Housing also provides social housing for:

-  Students
-  Veterans
-  Ex-offenders
-  Assisted Living
-  People in Recovery

QUALITY HOUSING

We provide housing in great neighborhoods for men & women recovering from addiction, trauma, and incarceration. We also partner with numerous agencies to provide skills that can lead to employment, personal development, and a better quality of life.
