MAYAN CHICHEN

ECOTRIPS MEXICO

MAYAN CHICHEN

THE MYSTIC CHICHEN ITZA, ONE OF THE 7 WORLD WONDERS, VALLADOLID AND CENOTE

Chi Chen is the original name of this ancient ceremonial center whose mystic enchants us all. Discover Old Chichen and look upon the greatness of the famous Kukulkán pyramid.

Our day continues in Valladolid where you can have time for yourself to explore the center of this beautiful colonial city. You can try Tequila, buy unique art crafts and get something to eat.

Ready for a swim we will visit the famous underground river - the Cenotes. You will swim and discover what is hidden under the jungle. Have your bathing suit and towel ready!

MAYAN TULUM

ECOTRIPS MEXICO

MAYAN TULUM

DIVE INTO THE SECRETS OF TULUM, ENJOY A STUNNING VIEW OVER THE CARIBBEAN AND EXPLORE A CENOTE

Zamá is the original name of this commercial port of the Maya which is one of the few ancient Mayan cities on the coast.

Walk through the well preserved ruins and immerse into its surroundings. The unique natural scenario where this city was founded attracts us all: Along the mangrove on a natural cliff facing the Caribbean Sea. This view will make you fall in love with Tulum.

The second part of the day will develop in the jungle at a Cenote. Have you seen those pictures of completely underground rivers in the Riviera Maya? Well, get ready to go!

SECRET CENOTE

ECOTRIPS MEXICO

SECRET CENOTE

CONNECT WITH THE NATURAL WONDERS OF A MAYAN CENOTE AND IMMERSE INTO ITS MYSTIC

Discover our secret cenote on a private property owned by a Mayan family.

Descend into the cave and explore Xibalbá to learn more about the mayan cosmology. Incredible calcium formations, fresh crystal clear water and the surroundings of the mayan jungle will make those memories last for a lifetime.

In the semi-open area, because of its depth, we can dive-in to appreciate its beauty from a different angle. Perfect moment for a little photo shooting with our GoPro!

Return to your hotel with a deeper understanding of the meaning and relevancy of these special, unique places.

WHY ECOTRIPS?

Ecotrips is a small, local company that stands for conscious, educated, modern and responsible tourism. We combine adventure, exploration with education and sustainability. Sustainability for nature, the locals and for our guests.

All excursions with Ecotrips aren't just another memory of your vacation. It's well understood that vacation time is precious. Your excursion is YOUR excursion. Without other pickups, unnecessary commercial stops or inflexible itineraries - to use your vacation time as efficiently as possible.

Thanks to Ecotrips it is not necessary anymore to contribute to mass tourism where personal interests and questions can't be answered. Where visitors feel like numbers and guides are not able to share their knowledge in depth.

We don't label ourselves with "ECOTOURISM" to hop onto a new trend - we LIVE Ecotourism. We are contributing to the preservation of the natural and historical sites through collecting trash on our..

...excursions, using sunblock responsibly, providing relevant information for your visit and organizing beach clean ups and visiting only natural areas where nature is not interfered with (feeding, hunting, etc.)

We also contribute to more conscious and fair tourism through supporting private areas owned by local people, paying higher wages to our staff and focusing on personal, exclusive tours assuring you high quality, safety and overall the best experiences in our excursions.

With Ecotrips you will live an authentic and memorable experience while getting a deep understanding of the local history and nature you're visiting whereas you leave a positive impact with your visit on nature and the locals and further you contribute to a new paradigm of tourism.

**Every visitor needs a guide.
LET US GUIDE YOU.**

WEEKLY GROUP TOURS

We offer weekly group tours to different archeological sites like Chichen Itzá, Tulum, Coba and other excursions like Cenotes and Lagoons
