

Calhoun County Red White and Blue  
Foundation

Community Grant Application

**MISSION:**

Foundation conducts events to honor veterans and families.

Foundation conducts events to honor high school graduates entering the military service and the military academies and their families.

Foundation coordinates events with the military.

Foundation coordinates with civic organizations and governmental agencies on behalf of veterans.

## **Who can apply:**

**Community organizations, non-profit organizations, as well as Military, Veteran, First Responder organizations that will use the grant to support veterans, military or first responders.**

## **The grant process:**

The Calhoun County Red White and Blue Community Support Grant has two stages of approval that typically takes between 45-60 days after receiving a completed and accurate application. A reviewing committee will evaluate the application and determine what needs of the requestor the grant can meet. That recommendation then goes before the board of directors for a final determination and distribution of funds.

Please be detailed when explaining your request and need you are trying to fill. Identify exactly what support you need from the grant. The more general your request, the less likely we will be able to process your application quickly without questions. If the committee cannot fully understand your need, your application could be denied.

Please provide the best possible picture of what you plan to achieve with the grant if it is awarded.

We understand that every application is unique. The application is designed to accommodate all cases but we also realize that some areas might not apply to every specific request. In general, it is always better to include more information than less. It is the applicant's responsibility to provide the most complete and accurate packet. If you are unsure about a step in the process, ask for clarity. If there are questions or gaps in your application, the committee will contact you for clarity but it will delay your consideration.

The Grant is designed to support military, veterans, and first responders.

If you are awarded the grant. The Committee will likely ask to use your logos, and photos of how the assistance was applied. All awarded grant recipients will have to submit follow up data, and we will request a testimonial of how the grant has benefited your audience.

# The Application:

## **1-Describe your need and qualification for a grant**

Include as much detail as possible so that board can understand your need for this grant
