Hello!

A few upcoming changes to the 3rd floor include:

-Two additional Robert Therrien pieces (checklist attached) to be added to the same gallery as the stacked plates

-The Frankenthaler will be moved around to the opposite side of its wall & Sarah Morris's painting will be switched out – creating more of a Washington Color School gallery

I'll let you know if I hear anything more. There's always a possibility that the new director will want to make additional changes too. Thanks!

Thank you,

-Melissa
