

PACIFIC FRESH EXPORTS

HONDURAS

Central America

ABOUT US

- We are a Honduran company based in San Lorenzo, with a lot of experience and passion for what we do, dedicated to the production and trading of Shrimps.
- With experience in shrimps exports to Mexico, Taiwan and United States. Seeking growth in the Asian and EU markets. We produce with environmental responsibility and we are committed to the satisfaction of our customers, suppliers and the training of our human resources. We specialize in the production of whole shrimp from size 30/40 to 70/80. We are also suppliers of shell-on and peeled shrimps.
