WORK EXPERIENCE

**PRINCIPAL CONSULTANT/ BUSINESS ANALYST
AT VALENTA BPO
JAN 2021- TILL DATE**

**BD IN CYBER SECURITY/ PROJECT MANAGER AT
ILLUMINANCE SOLUTIONS
JAN 2020- MAR 2021**

**INTERNATIONAL SALES AND MARKETING MANAGER
AT INTERNET EXPORTS INDIA LLP
2009- TILL DATE**

Business Analyst/Project Manager

Worked with users in the NDIS sector to formulate & document business requirements, alongside identified various loopholes in the process and system based on which recommended optimal business practices & solutions, all above with the inclusion of project management methodologies such as agile and scrum. Also, worked for Bot's integration for various financial organisations to increase their productivity and profitability. The tasks included but were not limited to, identify pain points, understand business landscape, and recommend suitable RPA & AI solutions.

Cyber Security Training

Conducted various cyber security trainings for an audience size of 30 people on how to stay safe online, events were also featured on SBS world news and other media publications.

Business Development & Leadership

Formed synergetic relationship with different WA based and international organisations for the companies I have worked for. Also, lead a team of 85 people in fashion industry to bring consecutive 18% surge in the company profitability by introducing lean and agile strategy and building high return policies.

BRIEF

I have completed MIS (Master of management information system) specialisation in Cyber Security at Edith Cowan University, Australia, Currently Working as a principal consultant/ Business Analyst at Valenta BPO & recent experience as Business Development/Cyber Security-Project Manager at illuminance Solutions Perth, Australia, I also hold an extensive 11 years of experience in International Sales & Marketing with Internet Exports India LLP - Gurgaon, India
