Pelham Fish & Game Junior Shooting Sports Program

Barry Mills, Co-Chair, Junior Shooting Sports Pelham Fish & Game Club, Inc
& John Errico

With the support of *Friends of NRA*, several dozen youths, ages 10-18 years old in Southern NH, were introduced to the shooting sports. Youths enjoyed a 16 week program shooting pistols, rifles and shotguns. For many of the youths, this the being of their shooting sports future. Many thanks from Pelham Fish & Game, Pelham NH. Without the support of *Friends of NRA*, this program would not have been the great success.

Truly, thank you. Your support allowed us to greatly increase our access to a larger group of youth in 2015. Not only

did we reach more youths, the program's resource were not limited in the eyes of our youths. The entire 16 weeks for the youths included unlimited pistol, rifle and shotgun shooting.

This is a comment received from a parent:

"I just wanted to take a moment to thank you and the dedicated PF&G members for a wonderful junior program this summer. Watching my son with the other youth in this fantastic program was a joy. The instructors were top notch in managing the youth, prioritizing safety, teaching a wide range of shooting skills and keeping it fun as well as safe. You are doing such a great service to the sport and I am thankful for all your hard work and dedication. Thank you, thank you, thank you!"

Sincerely,
Erich W"
