

## To All Mt. Hebron Members

October 21, 2024

God has truly blessed our church to be a beacon of light in the community, and he has sustained us in all phases of ministry throughout the years.

To update our directory, we are asking all current members & former members who would like to restore their membership to please submit the following information.

Name, address (email & mailing), cell phone number and an alternate contact number. Also, a photo can be submitted if available.

The church covenant defines a member in good standing as one who worships regularly, serves God and other members of the community by faithfully giving your time, talents and finances to support the expenses of the church.

Members who live out of town can remain in good standing by continuing to contribute to the church on a regular basis.

Sick and homebound members that were in good standing before will continue to remain as such.

Beginning January 1, 2023, only members that are in good standing will be eligible to receive ALL the benefits that they are entitled to, such as use of the church for weddings, funerals and repast etc.

Member registration forms will be available at the church, or you can register online through our church website [www.mthbc.com](http://www.mthbc.com)

Please note that every member must register as an individual, and not as a family.
