Please read and sign Posh Paws Mobile Spa's policy agreement prior to any grooming services being performed.

Payment Info: Payment is due at the time of service. Payment is accepted in the form of cash or check. Checks returned will incur a fee of \$40 plus whatever fee our bank may charge. Amounts unsatisfied will be referred to collection.

Cancellation policy/No Show/Trip fee: In the event you must cancel or reschedule an appointment, we ask for 24 hours' notice. No show appointments will incur a fee equal of the current grooming price for all dogs in the household. Appointments cancelled with less than 24 hours' notice are subject to a fee of one-half of the current grooming price for all dogs in the household.

Current vaccinations/Veterinary Information: Your pets' safety is our first priority at Posh Paws Mobile spa. We require current rabies, distemper and parvo vaccinations before any grooming services will be performed.

Safety and Dog Behavior: We at Posh Paws Mobile Spa make every effort to groom every dog. Occasionally, however, there will be a dog that we deem too aggressive to be groomed. If we feel that the safety of our pet or our safety is in danger at any point during the grooming process, we will stop the grooming procedure. If you have an aggressive dog and you do not fully disclose this to Posh Paws Mobile Spa prior to your grooming appointment, you will be responsible for any injuries that may occur due to your pets' actions. Likewise, although the mobile grooming process is the least stressful for you pet, if we feel that your pet is becoming overly stressed or anxious, we may need to stop the grooming process and try again another day. In this event, we will work with you to ultimately find a solution that is in your pets' best interests.

Pre-existing conditions: Your satisfaction is very important to us, and we strive to develop life-long relationships with our clients. Please be forthcoming with any factors related to your pet that we should be aware of including pet behavior and temperament, coat condition, previous grooming experiences, parasites, etc. Although the mobile grooming environment is much more stress free than a typical grooming salon, there is still some stress associated with the process for every pet. We at Posh Paws are experienced and skilled in minimizing this stress to your pet, and you can rest assured that we will never, ever use any harsh methods such as raising our voice with your pet or in any way disciplining your pet. That being said, sometimes the grooming experience or grooming procedure can expose a hidden medical problem or aggravate a current one. You will always be notified should this occur. Posh Paws Mobile Spa assumes no responsibility or liability in this event.

Client affirms that they are the rightful legal owner of the above named pet(s) for which services are being performed.

I, the undersigned, agree to the above terms and conditions regarding the grooming of my pet(s.) I agree to hold Posh Paws Mobile spa harmless from any and all damages, loss or claims to pet or personal property. I authorize Posh Paws Mobile Spa to seek emergency veterinary services for my pet(s), and I understand that I am solely responsible for the costs of such treatment and aftercare. I have read the above and agree to all terms set forth.
