Consult HR Partners Expands to Florida

Consult HR Partners known in Nevada for their deep knowledge and experience in developing employee lifecycle programs and strategic Human Resources outsourcing solutions is expanding to Florida. Owner and founder Jennifer Martinez has built a collaborative team who have thrived in all industries across the public and private-sector and non-profit businesses including health-care, entertainment, technology, gaming, and hospitality on a global level.

The team at Consult HR Partners are experts at working with companies who are start-up, fast growing or preparing for anticipated mergers and acquisitions. Specifically, they provide HR support for companies without a dedicated or a limited HR team. Focus areas are audits, organizational diagnostic, employment practices and compliance training. Continuously they are a trusted leader in HR support services and solutions for workforce development and payroll management. They are excited to bring their best practices to companies across Florida especially in the Sarasota, Tampa, and Orlando areas.

Consult HR Partner offers additional people and culture related services in the following areas:

Organizational Strategy & Design; Culture Development; Employee Engagement & Retention; Talent Acquisition; Inclusion & Diversity; M&A Due Diligence & Integration Planning; Leadership/Employee Learning & Development; Performance Management; Compensation & Benefits.

Consult HR Partners are sought after to provide their insights and best practices for shifts in HR Strategy, Culture and Leadership in our re-emerging Nevada economy leading various webinars across all industries. Jennifer is thrilled to have both an east and west coast presence to support clients across the world. Additionally, she is looking forward to becoming a community partner similar to efforts in Nevada.

Consult HR Partners, LLC is a women-owned boutique consultancy firm dedicated to providing full-service operational and strategic Human Resources outsourcing solutions and services.
