

Summer 2018

Dear Supporter,

Longview Community Ministries (LCM) was founded in 1985, by a group of church leaders whose goal was to create a resource for Longview residents in need. Since that time, the number of families served has increased tremendously! In 2009, a fundraiser was developed to bring in additional funding in order to continue providing these much needed services to the community. **Touch a Truck ~ Feed a Family** has continued to be an effective way to bring in those additional funds, all while providing a fun filled day for the entire family.

This unique community wide event is designed for kids (and adults) to have the opportunity to see, touch, interact with and learn about dozens of fascinating vehicles. **Touch a Truck** will include ambulances, fire trucks, cranes, dump trucks, school buses, 18 wheelers, antique cars, radio controlled vehicles, and maybe a helicopter or hot air balloon! An inflatable playground, as well many other children's activities, will be onsite for children of all ages to enjoy. **Touch a Truck** will also feature entertainment, prizes, community booths, door prize drawings, a silent auction and lots of good food. Saturday, October 6th, will be an amazing day for families and children of all ages during **Touch a Truck ~ Feed a Family!**

Because of your sponsorship, admission to the event is free, though we request a jar of peanut butter for LCM's food pantry, or a monetary donation of choice if feasible. Everyone is welcome to come. Last year we still welcomed over 2,200 through the gates! It is delightful to see the smiles and hear the laughter of the kiddos as they climb on and explore the myriad of vehicles on display, play on the inflatable playgrounds, and gobble up treats from the concessionaires!

LCM would appreciate your consideration in supporting its 10<sup>th</sup> annual **Touch a Truck ~ Feed a Family**. All proceeds benefit the many services provided by Longview Community Ministries.

Your tax deductible donation will make a difference in the lives of so many in our community who occasionally need a "hand up" at LCM. So, **Touch a Truck ~ Feed a Family** while touching many lives at the same time.
