Essential Pedicure with Upgrade

Enjoy a soothing foot bath, essential nail and cuticle attention, a relaxing foot and calf massage, then an application of moisturizing cream. This month only, receive a complimentary gel upgrade with this service!

15% off Microneedling

Microneedling is a minimally invasive skin treatment that involves using fine needles to create tiny punctures in the top layer of the skin. This triggers the body's natural healing process, stimulating the production of collagen and elastin, which are proteins that keep the skin firm and smooth. This month only, enjoy 15% off any package of 3 and LED light therapy with each treatment

Retail Special

Spend \$200 on any retail products and receive a complimentary Olympic Spa glass water bottle!
