

JUNE SPECIALS

Oxygen Facial

60 MINS | \$185

Our oxygen facial hydrates, tones, lifts, and adds radiance to the skin. Hyaluronic acid is infused into the skin to increase firmness and provide an immediate improvement in your skin's texture for unmatched hydration and long-lasting results.

Welcome Ash!

Ash is an award winning massage therapist that brings a wealth of experience and knowledge to the team.

Ash specializes in deep tissue, myofascial, hot stone, and prenatal massage. Book with Ash during the month of June for 15% off!

SPF Special

It's SPF season! Purchase any SPF product and receive 10% off your entire retail purchase.
