at 10am today.*

ASH WEDNESDAY – FEBRUARY 11TH – LENT BEGINS

Ash Wednesday begins the Lenten season in the church's year. It is a moment to reflect on our human nature and remember who and whose we are with humble honesty. Many folks mark the day with the imposing of ashes on their foreheads or hands.

Our church has not typically offered an Ash Wednesday service. However, last year we began an experiment that we are continuing this year. We provided a small bag of ashes and a take home prayer service that folks could use as part of their own spiritual journey. This year we are updating that service and offering it again.

We'll have the prayer service and ashes in church on Sunday mornings if you want to pick them up. While the ashes typically are made from the burning of previous year's Palm Sunday palms, there is nothing sacred about those ashes. If you can't get to church you can find a link to the service here: <https://www.dropbox.com/scl/fi/laurwk7eazup1jupjv146/ASH-WEDNESDAY-PRAYER-AND-REFLECTION-HOME-SERVICE-2026.docx?rlkey=38wt6uguxwy0z48kjr233oej&dl=0> And you can use any ashes that you feel comfortable using, or, as an alternative you can use oil or water as part of the service.

We can also mail or email you the service if you contact Kathy at our church office by 12noon on Tuesday, February 10th. May it be a blessing to you as we journey together towards Easter's rebirth.

Pastor's Ponderings

Persevere

Margaret Wheatley in her book, *PERSEVERANCE*, writes:

"The word "perseverance" in Latin means, "one who sees through to the end," "one who doesn't yield." In English, it describes how we maintain our activity in spite of difficulties. Tenacity, steadfastness, persistence, doggedness—these are all common synonyms.

Human experience is the story of perseverance. Throughout space and time, humans have always persevered. We wouldn't be here without them.

Think of all the people you know—family, friends, strangers—who have just kept going, who didn't yield, who were tenacious, steadfast, patient." (pg 3)

Throughout Lent we'll be exploring the concepts in this book as we look at ourselves, our faith, our relationships, our country and our world. In all of that we'll be discovering how to build our capacity to faithfully persevere in such a time as this. It's a skill, it's a capacity, it is innate in our temperament, it is essential to our faith. Bring a friend and journey together. And, one day, people will tell of your story of perseverance.

You can also pick up the book at a local bookstore or online if you would like to read along with our worship themes. The book is divided up into 5 sections; one for each week of our Lenten series. Since we can't cover everything from each section in any one service, you may enjoy reading the book for all of its insights.

MARDI GRAS AND BIRTHDAY SUNDAY

Lent has long been a season of sacrifice. Folks 'give up' something during the 40 days that lead up to Easter. It spiritual practice traditions this was intended to deepen our ability to deny ourselves as Christ denied himself in order for us to be more fully alive and faithful. Part of this was to build our inner 'muscle' for sacrificing for others. Part of this was to let the experience of that sacrifice each day become a daily reminder to pause in prayer and openness to God's Spirit. It was not a duty or obligation, nor was it trite. Instead it was an opportunity to deepen our faith.

Mardi Gras emerged as a time of indulgence before the time of sacrifice. As if we needed an excuse to give in to our hungers. It too, originally, was a spiritual practice of gratitude for the abundance of God available to us.

We are planning to reconnect with that spiritual practice of gratitude on Sunday February 15 at our coffee hour. It is the last Sunday before we begin the Lenten season. Just before we hold our Annual Meeting we will have 12 cakes, one for each month of the year. So you can gather with folks who share the same birthday month (or with folks who like the same kind of cake as you). It is a time of fellowship and celebration as we prepare for Lent's austerity. We are looking for folks who would like to claim a month and/or provide a cake.

If you would be willing to bake (or buy) a cake for any particular month, let Rev. Don know ASAP.

OUR ASSOCIATE CONFERENCE MINISTER IS RETIRING

Our Associate Conference Minister is the person from our Conference staff who offers support and resources and guidance to churches and clergy in a region of our Conference. The Rev Patty Kogut has served our region here in southeastern Massachusetts and Rhode Island for the past several years. She offered support to our church as it considered visioning. She provided resources to the church during Rev Carole's illness. She's helped the church as it began the search for the interim. And she has coached our Local Church Profile Writing Team this past year. And those are only a few of the points of direct contact she has had with our church. Her ministry role is both broader and deeper than that and has impacted us in many less seen ways.

Patty is retiring this spring. She'll be exploring all the ministry and personal opportunities that retirement brings. Her time serving our region comes to an end as Easter approaches this year. Our Conference will be letting us know who will fill in for Patty as our Conference's engages in its own search for the next regional ACM.

There will be a retirement and ministry celebration for Patty on March 8th here in Attleboro at the Second Congregational church at 2:30pm. You are welcome to join us for this time of memory and release.

WORLD DAY OF PRAYER

Many Thanks... If you had the chance to join us for the Rev. Dr Martin Luther King, Jr. celebration at our church you are probably still glowing from the experience. The music, the words, the prayers, the dance was all so deeply moving.

The appreciation I heard was universal in its enthusiasm. And I think we all recognized how much we needed to hear a message of hope and challenge in such a time as this. I am also so appreciative of everyone who helped out with hospitality. The room looked wonderful. The food was plentiful and delicious. And the warm greeting you all shared with our visitors was so representative of our Oasis of Caring and Joy; you truly and fully embodied that.

Thanks to all of you who helped host that day. And to all of you who donated baked goods. And to those who set up tables and put them away. For those who handed out bulletins and helped people with the elevator. For those who offered coffee and snacks so that the joy of worship upstairs could continue in the caring of fellowship downstairs. For those who removed the trash. And those who cleared the snow. (And a particular note to Martha who was the hub of coordination and to Dave who handled the sound system elegantly.)

THANK YOU!

Rev Don

The announcements and any other readings are prepared for you and sent to you ahead of time by email. *Please speak with Martha McHatton if you'd like more information.*

ELEVATOR OPERATORS – We are seeking several people who would like to be part of our Hospitality Team by providing a lift in our elevator from the Vestry to the Sanctuary, and back down again, on Sunday mornings. From the Profile Writing Team

Notes and Request from our Profile Writing Team

Our next meeting will be held on
Wednesday, February 18th

At 7:00pm in the Vestry

Our team has been working steadily these last several months gathering the foundational data and information for our Local Church Profile. This profile is the key story of our church that we want to present for our search for our next settled pastor. In the meantime, our Profile invites us to provide 2-4 pictures that capture the life, vibrancy and ministry of our church. *****If you have any photos (digital version) that might be helpful please email them to our church office so we can see which ones will help us tell our story. *****

From the Board of Trustees

Our next meeting will be held on
Tuesday, February 17th, 2026 at 7:00pm /
Vestry & Zoom.

From the Christian Education Committee

The Christian Education Committee has been hard at work planning for a meaningful and engaging spring season in our church's faith formation programs.

Quarterly Meeting Schedule Begins

To better support long-range planning and reduce scheduling strain, the committee voted to shift from monthly meetings to a quarterly rhythm.

Our next meeting will take place
Wednesday, March 25 at 7:00 pm.

March Mission Focus: Heifer International

This spring, our Sunday School children will take part in a special **one-month Heifer International fundraiser**. Instead of stretching the project across the full year, the committee chose a focused March campaign to help kids see the impact of their giving more immediately. Funds raised will support the purchase of an animal gift through Heifer's catalogue—an opportunity for our children to help families around the world build sustainable livelihoods. To build excitement and momentum, the fundraiser will officially launch during **Family Sunday in late February**. The church family will be invited to join the kids in the Heifer Fundraiser.

From the Executive Council

Our next meeting will be held on
Wednesday, March 4, 2026 at 7pm/Vestry & Zoom

From the Memorial Gifts Committee

Our next meeting will be held on
Thursday, March 12th at 6:00pm/Vestry & Zoom

An upcoming and ongoing project for our committee will be working on taking an inventory of current memorial gift plaques and those that are still needed. Another ongoing project is the updating of our Memorial Book in the Narthex of the Church. We will go back to using the old Memorial book whose entries were handwritten. We are in search of a volunteer who has calligraphy skills or excellent handwriting. Please contact Kathy in the Church office or any member of the committee (*Rich and Julie Goss, Jan Bisio, Heather Bonfilio, Bruce Carpenter, Judy Holland and Keith Darling*). Please let us know if you have suggestions for a new Remembrance Project!

Silent prayer is always an option. It’s a wonderful way to wind down after a busy day! You’ll be refreshed! Jesus said, “Again I say to you, if two of you agree on earth about anything they ask, it will be done for them by my Father in heaven. For where two or three are gathered in my name, there I am among them.” Matthew 18: 19-20 ESV

‘THE HEARTBEAT INITIATIVE’ – First Event – Huge SUCCESS!

Allison Darling and Keith have returned from Kisumu, Kenya! Allison, the founder of the Initiative, and her father served as members of the training team.

On Sunday, Keith reflected about their journey! The Heartbeat Initiative goal was achieved! 420 health professionals were trained in CPR and the Heimlich maneuver, both new to them. Throughout the event and during the final meeting people expressed that their presence and the training provided was truly sent to them from the Lord! Before Keith and Allison returned home, three lives had already been saved by newly trained staff. Our response was praising the Lord! Another Heartbeat Initiative event is planned for next year.

By way of background, through her college work, last year (2025), **Allison** was able to provide volunteer service in **Kisumu, Kenya** at several community health centers and hospital. During her work she realized that across Kenya, police officers, firefighters, and community health providers are often the first to arrive at emergency scenes, yet few have access to CPR training. Without these lifesaving skills preventable deaths occur every day. To address this concern, **Allison created The Heartbeat Initiative** to address the need. Allison, as founder of the Initiative, raised funding for this event. Thanks for supporting this new mission initiative in Kisumu Kenya. Pray for Allison as she works to fulfill “The

Heartbeat Initiative" goal of achieving 'Non-Profit Organization' status.
