### On-Going Mission

**The Aluminum Tab Collection / Recycling Project** is another on-going project at CCC for many years! The mission committee decided to step up promotion! Very easy to participate! Snap the tabs off aluminum cans (soda, etc.), save them in a cup or zip lock bag at home and occasionally place them in the round container on the counter outside the church office in the CE building. We will also be placing a container on the windowsill in the entry to the CE building as we encourage day care families to also participate. The tabs will periodically be delivered to the Shriners Burn Hospital in Boston. For many years the Shriners have promoted this program. Why collect the pull-tabs and not the entire can? It is the aluminum that has recycle value and the tab is the only pure aluminum part of the can. The can itself can be returned for the deposit at a grocery store, if applicable, after the tab has been removed! For more information visit [www.thirstylizards.com/general/cantabprogram.php](http://www.thirstylizards.com/general/cantabprogram.php). The Shriners Hospital has raised millions of dollars to help patients through these donations.

**LENORE'S PANTRY:** We continue to collect non-perishable foods for Lenore's Pantry. Drop off items to the

blue bin outside the Church Office or outside the Town Hall.

**IMPORTANT:** Please mark any check donations with the name of the program you wish your donation to benefit. IE: "Lenore's Pantry", "RIP MEDICAL DEBT", etc.
