Chairman Cheryl McGaughey introduced the members of the Supervisory Committee

There was a presentation of an award, by Chairman Cheryl McGaughey, to Julia Rogge who has volunteered on the Board at Concho Educators FCU for 39 years and will be retiring after this term. She will be missed.

Chairman Cheryl McGaughey presented the Chairman's Report: Cheryl thanked all the members and guests for attending the 82nd Annual Meeting. Cheryl spoke of how the credit union grew to over \$100 million in assets and with the best loan increase of over 15% for the year 2022. Cheryl spoke of how hard the loan department staff worked even with rising interest rates. Their decisions and hard work kept loan rates as low as possible for the members. In conclusion, Chairman Cherl McGaughey thanked her fellow Board Members and the members of the Supervisory Committee for their hard work and willingness to serve as volunteers.

President Jerry Merrill welcomed everyone to the 82nd and thanked them for attending. Jerry spoke on how the Credit Union has had continued strong growth in membership and assets at \$101,166.00 at the end of the year 2022. Jerry Spoke of how loans increased from \$48.8 mil to \$56.2 mil representing a 15.26% growth in loans. Jerry also spoke on the membership numbers stating that in 2022 the total membership growth decreased to 7179 with the unduplicated accounts at 6764, here are some of the additional services and updates for the year 2023:

- *New Visa Cards
- *Replaced ATMs at Loop 306 and Beauregard
- *Transferring the MasterCard Debit Card to the Visa Debit Card
- *Upgrading of the Main Computer Server
- *Updating the Loop 306 lobby

In conclusion, Jerry Merrill thanked the Board Members and the Supervisory Committee for volunteering their time, He also thanked employees for their professionalism in keeping the credit union growing strong.

Treasurer's Report: Randall Jenkins touched on the treasurer's report and assured members of the credit Unions strong Financial standing.

Supervisory Committee Report: Chairman Cheryl McGaughey gave the Supervisory Committee report stating what their duties are at the credit union stating they are the members that check all the polices and procedures.

Chairman Cheryl McGaughey introduced the nominees for the Board of Directors: Darlene Goode, Randall Jenkins, and Max Puello. Cheryl asked if there were any nominations from the floor. There were none. Wayne Merrill made the motion that nominations cease, and the candidates be elected by acclimation Greg Pecina seconded the motion. Motion Carried.

Chairman Cheryl McGaughey asked if there were any questions from the floor, there were none.

CHAIRMAN'S REPORT

As the board chairman of Concho Educators Federal Credit Union, I am pleased to report an exceptional performance by the credit union. In 2023, the credit union achieved outstanding results in several important areas.

Financial institutions are measured foremost by their profitability and the credit union showed an impressive result with net income of over \$840,000. This achievement was the result of a strong loan portfolio of both internal loans made as well as smart loan purchases from other credit unions. A high loan-to-asset ratio of almost 60% meant the credit union was taking deposits from members and using them effectively to generate income through solid loan production.

In addition to securing record profits, the management team also maintained a strong capital position with a capital ratio of almost 11%, indicating the ability of the credit union to withstand losses. Federal regulators consider any ratio over 10% to signal a financially strong institution. The credit union also maintained a low delinquency ratio, which reflected the quality of the loan portfolio.

Along with the financial highlights, the credit union also kept working to make improvements for members. A new debit card conversion and a new website were initiated to improve customer service. A branch remodeling of the loop office, which is still ongoing, will make the credit union more accessible and inviting for the members.

As always, the credit union is here to meet the needs of its members and to also be a positive force in the Concho Valley. To that end, the credit union continued its support of educators through its Teacher of the Week program, school supply drive, and distribution of over 5,000 academic calendars across the area.

As chairman, I want to thank the other members of the Board of Directors and Supervisory Committee who freely volunteer their time and talents to benefit all the members of the credit union.

I also want to thank the members who trust Concho Educators to help them successfully navigate the financial landscape. Here's hoping both the members and the credit union have another fruitful year in 2024.

Sincerely,

Cheryl McGauhey

PRESIDENT'S REPORT

We welcome you to the 83rd Annual Meeting of Concho Educators Federal Credit Union. I am pleased to announce that once again, your credit union had a very successful year in 2023 as the credit union continues to provide the best financial products and services to the members.

At the close of business on December 31, 2023, the credit union ended up with total assets at \$98.6 million while total loans outstanding grew +4.10% to 58.5 million. 2023 was one of the strongest financial years at the credit union setting a record with a year-end net income of \$843,693 resulting in a 0.84% return on assets. This increase was due to the credit union increasing internal loans as well as loan participation purchases. The net-worth ratio ended up at 10.94%, which reflects the financial strength of the credit union. Total membership ended the year at 7,107 accounts while non-duplicated member accounts ended at 6,690 and total checking accounts at 4,608.

In 2023, the credit union went through a successful debit card conversion which included a brand change from MasterCard to Visa. We also added contactless payment technology for all debit cards to help process transactions quicker while maintaining all security protocols. The credit union also began remodeling the Loop 306 Office to help give it a fresh new look both inside and out.

The primary goal for 2024 is membership growth and spreading the word about the benefits of being a member of Concho Educators Federal Credit Union. We will continue to sponsor many of the local school programs such as the Concho Valley Teacher of the Week, SAISD Teacher of the Year, ASU Athletics, and the San Angelo Stock Show and Rodeo which includes the Extreme Bull Riding event.

Once again, we thank you for being a member of Concho Educators Federal Credit Union and look forward to assisting you in 2024.

Sincerely,

Jerry S. Merrill President/CEO

2023 FINANCIAL REPORT

TREASURER'S REPORT

Concho Educators Federal Credit Union had another excellent year in 2023. At the close of business on December 31, 2023, total assets ended up at \$98.5 million while total member shares and deposits were at \$91.1 million. The total loans to members increased by +4.10% from \$56.2 million to \$58.5 million, resulting in a loan-to-asset and loan-to-share ratio of 59.37% and 64.27% respectively.

All federally insured credit unions, such as Concho Educators FCU, are required by the National Credit Union Administration to maintain a minimum 7% capital-to-asset ratio to be considered well capitalized. The capital-to-asset ratio is calculated by dividing undivided earnings and regular reserves by total assets. The capital-to-asset ratio at the end of fiscal year 2023 was well capitalized at 10.94%.

A hallmark of CEFCU is the high quality of our assets, measured in part, by our low delinquency ratio and low net charge-off ratios. At the end of fiscal year 2023, the delinquency ratio was 0.94% while the net charge-off ratio was 0.07%, both well below the credit union peers.

With regards to the income statement, the Credit Union ended up with a gross operating income of \$4,727,09 while the total operating expenses ended up at \$3,400,894. The total dividends paid to members was \$594,545 which resulted in a net income of \$843,742 or 0.84% return on assets.

Respectfully,

Randall Jenkins Treasurer

SUPERVISORY COMMITTEE REPORT

The Supervisory Committee continues to oversee the overall operations and assets of the credit union and to ensure that policies, procedures, and regulations are being followed. Assignments are performed on a monthly basis at each meeting that consists of internal reviews and scheduled checkpoints. Teller cash counts are also performed on a random basis each month to ensure the credit union's cash operations are properly accounted for.

The Supervisory Committee is made up of five credit union members who are appointed by the Board of Directors. The committee performs various internal reviews on credit union policies and procedures for compliance and high integrity of the credit union. Annual audits of the financial statements and credit union operations are performed by an independent CPA firm while annual examinations are performed by our regulatory agency, NCUA.

This committee is also responsible for ensuring a high level of member satisfaction. Monthly surveys are sent to all new accounts and closed accounts which helps measure the quality of service being provided to the members.

Sincerely,

Laura Strube Supervisory Committee Chairman
