Guidance & Discipline Policy

At B.FLI Productions, Inc. Summer Camp, we believe in guidance and discipline, and prohibit punishment. Guidance and discipline are positive ways to help a child develop self-control and confidence handling their needs in a socially acceptable way. We encourage children to develop skills to manage their own behavior.

Guidance & Discipline Techniques Used by Our Staff:

- Offer stimulating, organized, well-equipped, and well-designed activities to avoid problems.
- Set rules and expectations with the children at the beginning of camp.
- Set clear limits and be consistent.
- Redirect children whenever possible.
- Include the children in the problem solving process.
- Model socially acceptable behavior and manners along with positive reinforcement and acknowledgement of good behavior.
- Remove the child from the area, discuss the improper behavior, what a better choice would be for next time, and allow the child to return to the activity when he/she feels they can manage their behavior appropriately.
- If a child hurts another child, the staff member will attend to the injured child immediately. The child that did the injuring will be asked to stay with the staff member. When the injured child is ready to return to the activity, the staff member will investigate the situation. If the B.FLI staff members see a continuing pattern of misbehavior, the following steps will be initiated:

Prohibited Guidance and Discipline Techniques:

- Any form of corporal punishment.
- Ridiculing a child or the child's family.
- Blaming, teasing, insulting, name-calling, or threatening the child with punishment.
- Withholding food, affection, or positive attention.

Parent's Role in the Guidance Process:

- Share any relevant information with B.FLI Staff members to help understand any underlying issues. Be open when the staff gives notification of a concern or if a continuing pattern of misbehavior is observed.
- Follow through on any recommendations made by the staff.
- Work as a team with the staff so everyone can be consistent in expectations and help the child understand what behavior is acceptable and not acceptable.

Child's Role in Guidance Process:

- The children will be involved in learning the rules and expectations of summer camp.
- The child will have a reasonable opportunity to resolve their own conflict before a staff member steps in.
- Make an effort to change any unacceptable behavior.
- If the child has hurt another child, the child will be asked what he/she can do to make the child feel better and what different decision should have been made.

B.FLI Productions has established a Zero Tolerance Policy on bullying. If a student is involved in a fight or bullying, the result is immediate dismissal from B.FLI Productions Summer Camp. No student shall be subjected to bullying:

- During any B.FLI Productions sponsored program or activity.
- While on our property, in our programs or activities

B.FLI Productions defines bullying as any severe or pervasive physical or verbal act or conduct, including communications made in writing or electronically, directed toward a student or students that has or can be reasonably predicted to have the effect of one or more of the following:

- Placing the student(s) in reasonable fear of harm to their person or property.
- Causing a substantially detrimental effect on their physical or emotional health.
- Substantially interfering with their program performance.
- Substantially interfering with their ability to participate in or benefit from the services, activities, or privileges provided by B.FLI Productions

Discharge: After attempts have been made to meet the individual needs of the child, any child that has demonstrated inability to benefit from the type of care offered B.FLI Productions Summer Camp, or whose presence is detrimental to the group, shall be discharged from the program.

I have read and agree to the discipline and bullying policy set forth by B.FLI Productions.
