

WORCYPAA 5/26/19

Opening Prayer

Mission Statement: WORCYPAA is a service committee of young people in A. A. We are open to all alcoholics. We host and attend events all over the region to show the newcomer there is a solution. We grow in our Recovery by carrying AAs message and through our participation in Service and Unity.

Tradition 5:

Short form: Each group has but one primary purpose - to carry its message to the alcoholic who still suffers.

Concept 5:

Throughout our world services structure, a traditional "Right of Appeal" ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered

Committee reports

Chair: Sofia
-Same report as last week

Cochair: Ali
Hi guys,

The two subcommittee meetings that happened this week went well. I am sure Eric and Mitch will go over what they talked about. I have something to bring up in new business. That is all I have to report.

Treasurer: Ryan

There has been no change to our treasury and we still remain at a balance of \$432.49. The 7th tradition deposit from this and the last meeting will be deposited before the end of the month. Rob has selected to rework the website using GoDaddy so we will be charged that expense shortly and cancel the WIX subscription which will change our prudent reserve. I have accounted for 35 tickets for the BBQ event which makes up \$350 towards the event and treasury. This ensures a profit given the proposed \$200 budget. It should be noted that I will not deposit ticket sales into our account until the event is complete so we account for events in the same way we did for the spaghetti dinner. We should continue efforts of selling tickets to put our treasury in a healthy position.

Report passed.

New Business:

Ali - How can we be more unified?

How can we hold each other more accountable? Can we open up to the floor to brainstorm ideas and how we can keep the meeting together.

Sofia- That reminds me to something that we brought up last time, Do we still want to bid?

Bidding takes a lot, and we need to be unified and accountable if we are going to bid.

Ali- Yes we should discuss

Sofia- Are people aware that we are bidding?

Ryan- I don't think we are in the position to bid, we are struggling as a group which is fine its a growing pain

Sofia- We have an in questions secretary position, we don't have positions for GSRs, many positions in committee don't have co-chairs

-Jessica

-commenting on accountability partners: when assigned partners, check in with recovery in other areas besides service

Jessica:

-pick up the phone and call people; be accountable even if they aren't your accountability partner

-be kind to each other and call each other; the more in communication we are with each other

Ali: -I think it is a good idea to still bid; it could make us more unified too!

Ryan: -I want to help, but I don't know how to

Sofia: we will help you! We don't have to do this alone either; there is an advisory committee to help guide us as well

-bid book chair: the person who puts the packet together; our application for the convention
