

INCLOUD – RAINBOW GUIDE (MAKING A CALL)

- ❖ To make a call with Rainbow you can either type in a number or input it manually with your computer's mouse on the Rainbow dial-pad.

- ❖ Typing a number into the search box will show you the options displayed here, clicking the **“Phone”** icon next to the number will begin the call.
- ❖ You can press **“Enter”** on your keyboard after typing a number to quickly begin a call.

- ❖ Manually clicking on the dial-pad also works, once you have typed the number click the Green Phone to begin calling.
- ❖ To bring up the dial-pad simply click the 10 dots on the screen.

If the problems persist, please contact us at info@intelephony.com.au or 02 6040 4330.
