## MEMORIAL SERVICE

There will be a Memorial Service for long time village member Arnold Richard "Rick" Wolfe at North Myrtle Beach Memorial Gardens Cemetery on Saturday May 23 at noon.

Family and friends will dedicate a bronze tablet celebrating "Rick" Wolfe's World War two service, including three battle campaign ribbons, the Bronze Star, the Purple Heart and France's Medal of Honor.

The ceremony will start at precisely noon with Calabash VFW providing an honor guard and concluding with "Taps" by SC Representative Duckworth.

Village residents who knew "Rick" as a POA Board member, neighbor, friend, or simply knew him as a member of the community are welcome to attend. The family will be hosting a luncheon after the brief ceremony. All in attendance at the memorial service are welcome to join us at the luncheon.

## BEAUTIFICATION COMMITTEE

Christmas decorations were put up and taken down. Thanks to Jean Phalen, my son, Jacob Harrell and Justin for their help. The new sign looks wonderful and Carolina Greens has pruned Crepe Myrtles, cleaned up the front entrance, and picked up limbs and debris around office. They also reconfigured the landscape stones along side of the road at office where the school busses turn to exit to give them more room and avoid the stones being run over and damaged further.

We removed the rubber plant in the clubhouse because it looked like it was on its last leg. Thank you to Beverly for removing the dead plants and putting mulch in container at the front office outside Angela's window. They did not survive the cold snap. Jean Phalen talked with the brick mason that repaired the sign and he may have some extra bricks to repair the columns at the entrance where some have fallen off over the years. I will follow up with her on this. If anyone else has any ideas or suggestions, my e-mail is [morris.gina@yahoo.com](mailto:morris.gina@yahoo.com). *Gina Morris, Chair*

## SOCIAL COMMITTEE

As usual, the social committee had a very busy holiday season. Everyone gathered at the dock for the boat regatta where the social committee served refreshments. My thanks to everyone that donated cookies for this event. There were lots more help this year at the clubhouse to decorate the Christmas tree. Thanks for your help. Next, we held the Christmas dinner on Dec 8th. We played games and sang Christmas Carols. Everyone seemed to have a good time, and we all ate too much.

At each of these events, we asked you to please bring a toy or canned goods. My sincere thanks to everyone that brought something. I had to get help to deliver the toys. The toys and the food were greatly appreciated.

The many residents that helped with the toys and food shows how we can work together. This showed how neighbors can help neighbors.

We had one clubhouse rental in December.

My thanks to the committee for all their hard work and support. There are only five members of this committee and three work full time jobs. We will now begin to work on the St. Patrick's day dinner. *Pat Horne, Chair*
