BRUSH AND LEAVES GUIDELINES: PREPARATION FOR FRIDAY PICK-UP

Pick-up is Friday Morning. Please try not to leave piles out all week.

1. Trash, brush, leaves or debris are not to be placed on Little River Drive or common property.
2. Neatly stack brush and limbs cut in length no more than five (5) feet.
3. Keep bagged leaves and brush in **SEPARATE PILES**.
4. Do not leave out more than **ten (10) bags** a week. If more than **ten (10) bags** are left by the road, none will be picked up.
5. Keep piles of brush and bagged leaves in the open, away from telephone and electric boxes and away from trees.
6. Pine cones and other loose debris, such as pine needles, long leaves, small sticks, long stems, etc., must be bagged.
7. **DO NOT** mix old landscape timbers or construction trash with brush. We do not pick up construction trash.
8. Brush piles stacked wider or higher than four (4) feet or just thrown together will not be picked up.

Failure to meet the above guidelines may result in non-pick-up.

SECURITY MONTHLY REPORT – 2/08

The new members of the Security Committee are actively working to make it known that they are paying attention and care about preserving the security of our common areas.

The committee is continuing to assess and upgrade the camera system. We will be buying an indoor and an outdoor camera to see how new technology can enhance our systems.

Respectfully, Alex Hughes

FIRE AND DISASTER MONTHLY REPORT – 2/08

Myrtle Beach Fire and Safety tested and re-tagged all of our fire extinguishers. This inspection is annual.

Maintenance is making sure we have adequate alarms in the areas of the Clubhouse that are being renovated. Existing extinguishers are close enough to be accessible to these areas in case of emergency.

Respectfully, Alex Hughes

COMPOUND

Remember to identify your space at the compound with your lot number. If there are any changes happening to your space, please inform Pam Anderson so records are kept current.

GENERAL REMINDERS

We have a wide range of activities almost every day of the week at the Clubhouse, from exercise, to bingo, bridge, and more. Check out the bulletin board for day and times - it's a nice way to meet the neighbors.

Please remember to give your visitors and contractors your 3-digit code to phone you from the gate. Recently, there have been people at the gate phoning you from their cell phones. This backs others up at the gate. The gate won't open from a cell phone call by your visitor. When you push 9, please be sure you hear the "Access granted" before you hang up.

The "Homes for Sale" page is now up and on our website: www.windjammerpoa.com/homes.htm. If you have a home or lot for sale that is not on the page, or is already sold, please let Pat Pelton know.

LOST and FOUND

A blue hooded sweatshirt, size small, was left in front of the POA Office, possibly from a child waiting for the bus. Angela has it at the office.

VOLUNTEER SPOTLIGHT

This month we would like to recognize Hugh Cotcamp for over a decade of contribution in numerous volunteer activities. Board member, Legal, Long-Range Planning, GAC - just to name a few- have been among the many hats Hugh has worn for this Village. Let's all be sure to show our appreciation for jobs well done!!
