## Volunteer of the Month

Not much different then her personal athletic pursuits it seems that Jackie Andrews is always in a marathon of different volunteer roles in our neighborhood. She has done the 50 yard Social to continue into the Recreation Cycle followed up by the Election Swim. All three she has mastered perfectly and in our eyes should take the gold medal prize for first. Thank you Jackie for going the distance for our neighborhood!

- **Discharging fireworks in the village is prohibited.**
- **Diaper dependent persons are not permitted in the large pool. Diving is not allowed at the pool. Cards are being deactivated for 1 week without warning for failure to follow the pool rules.**

One tree was approved for removal; two trees were denied for removal. One tree removal request was postponed to give the owner time to mark the trees in the request.

## **Recreation Committee**

Hey Folks want to know how to get a great work out while volunteering behind the scenes. I know you always wanted to step up and help out just didn't want all the limelight that comes with it ...well here is your chance to shine in the dark. Recreation purchased rollers that hang down at the Tennis Court and Basketball Courts this past spring. This is in effort to preserve the life of these areas by preventing water from sitting and thus hastening the deterioration of the courts. I know you are laughing thinking what rain? Well that makes this task even better then, because it's not that often! So next time you find yourself with nothing to do after a storm head down to one of the courts, pick up a roller, and be amazed at not only the gratification you will get from helping the Village but also the calories you will burn doing what will become your favorite activity!! Also, if anyone has a medical scale they want to donate to recreation we would be very appreciative of it. *Lacy Paulussen, Chair*

## **Social Committee**

During the month of May, we had the Memorial Day picnic. Much good food was enjoyed furnished by the good cooks in the Village. My thanks to all who helped from the kitchen staff, the cooks outside, the clean-up help and the men who set up the tables for the dinner. These people have been a wonderful help with all the dinners held by the social committee this year. The next event will be the July 4<sup>th</sup> Picnic held on Sunday, July 3<sup>rd</sup>. Social hour is at 5 p.m. and dinner is at 6 p.m. \$3.00 per person and children under 6 are for free. The menu includes fried chicken, beverage, and bread. Those attending please bring a dish and see the sign-up sheet. The cut off pay date is Tuesday, June 28. If you sign up and cannot attend, call me to cancel prior to July 1<sup>st</sup>, as the meat is catered. The Golf Cart parade is Monday, July 4<sup>th</sup> at 6 p.m. Decorate your cart and meet us at the clubhouse. Thank you to all of the volunteers for all of your time and efforts! We really need some volunteers to help with the social committee as some of the members have had to resign the committee. *Pat Horne, Chair*
