Left at Dumpsters

The WJV POA provides dumpsters at the compound for the disposal of household trash and recyclables only. "Household trash" is defined only as items that would be disposed of in a kitchen trash can. Items such as appliances, carpet, carpet pads, construction/renovation material, tires, car batteries, oil/gasoline, paint, combustible liquids, lawn furniture, bedding, pillows, mattresses, landscape timbers, electrical appliances, aerosol cans, large bulky items, large children's toys, benches, luggage, golf club bags, furniture, lamps, car parts, televisions, computers, or any other items otherwise not considered "Household Trash" are prohibited in the dumpsters. Any items prohibited from disposal from state or local law are also prohibited.

Disposal of non-household trash in any dumpster will result in a fee due by the property owner to cover the costs of the proper disposal of this non-household trash at the nearby Solid Waste Center. This fee will be no less than \$75, but may be increased depending on the type, size and weight of the unauthorized trash.

Cardboard must be broken down and placed in the cardboard dumpster to the right of the trash dumpsters, not left on the ground next to it or in the trash dumpsters.

R/R/R III, Real Properties, 2h that states: No boats, or boat trailers, shall be kept, stored, or parked on any lot, road, or common property (except in the storage compound area or in a garage) for more than one night per month. Acknowledging the lack of electrical and water service at the compound, this time may be extended to one week (if extensive maintenance or modification is required) upon receiving permission and permit from the Board of Directors or Security Committee Chairperson.

Thank you, and have a great rest of the summer!
